Film Friday (12:30pm)

Wednesday:

Homework Club (12:00pm)
Gardening Club (12:30pm)
Craft Club (12:30pm)

Our First Half Term – Something to Celebrate!

As we approach the end of a very long first half term, I want to extend my heartfelt thanks to everyone in our school community for all that has been achieved and contributed over these past weeks. The effort, energy, and commitment I've seen from everyone has truly set a wonderful tone for the year, and I am grateful for every part of it.

To our parents, thank you for your support, not only to the children but also to the school as a whole. Your involvement, whether through parents' evening, curriculum events, or simply being there for your children, means so much to us and to the learning journey we're building together.

A special thank you goes to the children, especially to our new starters. You have all worked hard, shown great resilience, and made an excellent start, and we are so proud of how well you have settled in. It has been wonderful to see the friendships, growth, and achievements already blossoming across the school.

Finally, to our dedicated staff, thank you for your commitment and care. Your hard work in making each classroom feel welcoming and supporting every child's learning has given us a truly positive start to the year. Your efforts have not gone unnoticed, and I'm grateful to have such a fantastic team.

As we head into the break, I hope you all have a restful, enjoyable week and can take time to recharge. Whether you are spending time with family and friends or enjoying some time at home, please stay safe, particularly over Halloween. I look forward to welcoming everyone back, refreshed and ready for the term ahead, on Monday, 4th November.

Cashpot for GJS

Thank you to all who have chosen us through the Asda Rewards App. We can't wait to see how much money we can raise by just buying our weekly shop! There are 36 days left so please keep supporting our school.

Disco Fun

Last night's first school disco of the year was an absolute hit! Our hall was buzzing with energy as the children danced the night away with friends, filling the space with music, laughter, and smiles. We even had a dining room full of delicious food, while a dedicated quiet area offered a peaceful spot for anyone needing a breather between dances—a huge success for everyone! We're so proud of the children for their fantastic behaviour and the respect and kindness they showed towards each other and the parents who attended.

A heartfelt thank you to our amazing PTA for their time and dedication in organizing this event, and to the staff who volunteered to support. Without their hard work and willingness, our children wouldn't have these special community events. Here's to more unforgettable moments together!

Year 3 Open Forum

As key educators in your children's lives, it is important that you have a voice and that, as a school, we are approachable and allocate time to listen to your concerns, worries or thoughts about the school. It is for this reason, I would like to invite you to an informal Open Forum after half term (6th November at 5:30pm) so I can hear your views on what is going well so far and what we can do to continue to improve the transition process from the Infant to the Junior School, as well as any other matters you would like to discuss. The Open Forum will last no more than 30 to 45 minutes.

Please click on the [link](#) to inform us of your attendance. This will ensure there is enough space and seating for us all.

If you are able to attend either of the dates, we would love to see you then.

Online Safety

Most modern-day families probably use a multitude of devices at home. Sometimes, such devices are used more often by the children of the household, with many smartphones, laptops, consoles and the like being exclusively enjoyed by the younger members of the family. However, between the online safety risks that come with this technology and the physical, emotional and mental impacts of overuse, it can be a good idea to set some ground rules for the sake of children's wellbeing.

Agreeing rules around the use of tech in the home can sometimes pose a challenge, and it can be difficult to know what's reasonable, what might be a step too far, and what doesn't go far enough. That's why we've created this free safety guide, offering you top-level advice on how to successfully think up and enforce rules for using devices.
