**Friday:** Film Friday (12:30pm)  
School Council (12:30pm)  
Y6 Netball (12:30pm)  
Choir (12:30pm)

### In the classrooms last week:

- Year 3 have been working hard in Science to understand the process of erosion. In a practical lesson at the end of last half term, Year 3 used water bottles, pasta and stock cubes and shook the bottles to replicate how rocks are broken down into smaller pieces over time through movement and water. A great practical activity to help children to understand a tricky concept.
- Year 4 became successful artists in the final week of last half term! They have been using oil pastels and watercolour paints to recreate Wirral landscapes such as Hilbre Island, New Brighton lighthouse and Thurstaston Common. We can't wait to display some of these in school.
- Year 5 are beginning preparations for their upcoming Easter service. Upon returning to school, children will be asked for their preferences regarding speaking roles. We are looking forward to seeing the show come together!
- Year 6 spent time discussing our theme from Children's Mental Health week of 'Belonging'. The children spent time in class discussing places where they feel like they belong, and ways in which we can show kindness to ourselves – a valuable lesson for all.

### School Disco

Here at school, we are enormously lucky to have a dedicated PTA who work tirelessly on fundraising events such as discos and Christmas and Summer fairs. We are endlessly grateful to them for the time and hard work, and to all families for their ongoing financial contributions to making these events such a success. Our next event is Thursday 26<sup>th</sup> February when children are invited to come to school in their own clothes. The disco will be taking place after school with a collection time of 5:15pm. Tickets can be purchased on Arbor.

### Spare uniforms

It is really useful for us to have a few uniform spares in school in case of slippy and muddy falls or other accidents. We have plenty of spare polo shirts and shirts, but would really benefit from school trousers, tights and leggings/jogging bottoms. If you have any of these items that children have grown out of, we would really appreciate any that can be sent into school and kept as spares for children to use. Thank you in advance!

### School Entrance

The new intercom system at the front of school is now fully installed and up and running. When arriving at the door, please press the call button; a member of our office team will greet you and ask you to identify yourself and the person you are visiting before granting entry. We appreciate your patience and cooperation as we implement this extra layer of protection for our school community.

Menu – Week 3

MENU WEEK 3
