Year 4 head to Barnstondale!

A new club timetable will be finalised for the Summer term during the first week back.

In the classrooms this week:

- Year 3 have thoroughly enjoyed working both creatively and collaboratively to design and build their castle models as part of their DT unit on structures. They have shown great effort and teamwork, producing some truly impressive models. Well done, Year 3!
- Year 4 have also been fully engaged in their DT learning, using a range of materials to design and construct their own mechanical toy cars. Their creativity and practical skills have really shone through—well done, Year 4!
- Year 5 have had a fantastic time during Careers Week. We would like to extend a special thank you to two of our GJS parents who generously gave their time to speak to the children about their career journeys, offering valuable insight and advice for the future. The pupils represented the school brilliantly, listening and asking thoughtful questions—well done, Year 5!
- Year 6 have continued their DT work this week by using Tinkercad to create detailed 3D digital designs for their multi-functional tools. Their innovation and enthusiasm have been excellent, and we look forward to seeing their finished products!

Easter Service

A huge well done to Year 5 for their superb Easter performance earlier this week! The pupils spoke confidently, acted brilliantly and sang beautifully. A superb team effort and a wonderful example of one of our MAT values 'Expression'. Well done Year 5!

Menu change after Easter

The following new menus will be in place from after the Easter break. We will begin with week 1. Please note, our kitchen team have shared with us that certain paninis will be available on certain days – see menu for details. Also, fillings for paninis will be ham or cheese but not both. Love Music Trust

We are excited to announce the Love Music Trust Vocal Day on Saturday 25th April. This year, in order to allow more young singers to attend, the event will take place across 2 locations - namely Sandbach School, Cheshire East and West Kirby Grammar School, Wirral.

Both courses will run on Saturday 25th April 9am - 5pm and finish with a celebration concert from 4pm for friends and family. The Vocal Days are open to all students, from Year 3 - 7 in full time education, across the borough who love to sing and want to learn more about stagecraft, vocal technique and solo / ensemble singing. The course will consist of a variety of workshops for all attending, plus age appropriate classes. A vibrant mix of warm-ups, games and songs will be explored over the fun packed day.

The cost for the day is just £25 per participant and the link for more information and sign-up is as follows; <http://www.lovemusictrust.com/vocal-day>
