## In the classrooms this week:

- Year 3 have thrown themselves into their current Art project. They have been practising their sculpture techniques and have been inspired by Alberto Giacometti. We can't wait to see the finished work!
- 4JR have worked really hard during their swimming lessons this week, many of them making fantastic progress using a range of strokes and developing water safety survival skills. 4SB have these lessons to look forward to next week!
- Year 5 have been developing their knowledge of light and shadows and how these were used to tell the time many years ago. They even got creative and made their own sun dial models!
- Year 6 have been writing superstars this week! They have finalised their scientific logs on the Galapagos Islands and some pupils have even supported younger pupils with their editing skills this week!

## Parking

We would like to remind parents and carers that the school car park is to be used by staff only. The only exception to this is for Blue Badge holders (parents or GJS pupils) and those who have a prior agreement in place with the school. We kindly ask all families to support us by parking on the road unless you have permission to use the car park. Thank you for your understanding and cooperation in helping us keep everyone safe and ensure fair access for those who need it most.

## Fox's Den

Many of our pupils have been given permission by their parents to walk to Fox's Den at the end of the school day, where they meet a parent to travel the rest of the way home. Whilst we are in support of this increased independence, especially for older pupils (provided that parents have shared this arrangement with school), it has come to our attention that some pupils are making poor behaviour choices during their independent walk to Fox's Den. Some of this behaviour has included rowdy or unsafe behaviour which can impact other pupils, parents or members of the public. The safety of our pupils and our whole school community is our utmost priority. If your child walks this way home, please reiterate to them the importance of demonstrating safe and respectful behaviour choices at all times. Thank you for your support in this matter.
