MR G'S NEWSLETTER

@ head@ennerdale.cumbria.sch.uk

I hope you all had a lovely half-term break. It's been lovely to welcome the children back into school for this, our final half-term. You should have received a class newsletter and a copy of the half-termly overview outlining what your child will be learning this half-term. The calendar on Compass and on the school website (events page) is updated with all of the dates of events happening this half-term.

Mobile Phones:

Although we have very little, or in fact, no problems in children bringing mobile phones with them to school (we're in a very unique situation here, believe me), please can we extend this to other school events such as the Spring Disco etc... where children are not under the care of their adults from home. A couple of parents have brought to my attention that mobile phones were taken to the school disco, and children were taking photographs of their friends. We have a number of children in school whose parents don't give permission for photographs to be taken and this is why staff always take photographs at school events.

This will also extend to the whole school play, 'The Wizard of Oz' - photographs and videos taken by adults coming along won't be allowed, however staff will take photographs and we will share these with you.

End of Year Celebration:

This year we are going to have an **'End of Year Celebration'** on the last day of term where we will celebrate the last academic year and say goodbye to the children in Year 6.

This celebration will take place, not in school as usual, but in St Mary's Church at 1pm on the last day of term (Friday, 17th July). You are all welcome to join us for this event.

Events in School:

“ In early June the world of leaf and blade and flowers explodes, and every sunset is different.

John Steinbeck - The Winter of Our Discontent

As one school family, we grow in God's light; sharing love, kindness and wisdom to make a positive impact on the world.

“You are the light of the world” Matthew 5:14
