Red Weather Warning Update

As mentioned in communications yesterday, we continue to monitor the measures we have put in place over the next two days.

For Wednesday and Thursday we suggest further relaxing the uniform policy to non-uniform, to allow children to be their most comfortable in the heat. **Please make sensible choices with clothing that is lightweight and comfortable as well as having coverage from the sun for the short times the children will be outside. Shoes need to have backs in them – no flip flops or sliders please.**

We continue to help the children manage the heat through hydration, indoor alternatives and adaptations to the school day with consideration from the heat. Where possible, some classes are able to access air conditioned areas within school.

As previously explained, please access school via the visitor gate. If you are collecting between 1 and 1:45 please go via the school office to sign out. If you are coming for the agreed time of 2pm, your child will be signed out from the external door of their classroom. For Ash and Oak, this will be from the garden gate, for Sycamore this will be round on the playground, for Beech and Chestnut this will be from the door on the field.

Thank you for your patience as we try to manage as best we can.
