## SATs Week 2026

Next week our Year 6 cohort will take part in their Statutory Assessment Tests. This is an important time for them to show how far they have come in their learning and really shine. Everything is in place at school to support them for a successful week at school, we wish them every success! Don't forget the essentials of a good nights sleep and the SATs breakfasts that awaits them Monday - Thursday, arrival at 8:30am for ALL Year 6 children please.

## Arbor Reminder

A reminder that we will be moving our MIS to Arbor on Monday 11<sup>th</sup> May.

Adopting Arbor will allow us to communicate with you more efficiently and bring all core school data and workflows into one system. We are really looking forward to getting started with Arbor and invite all our parents to familiarise themselves using the link below.

[Getting started - Log into the Parent Portal and the Parent App](#)

Arbor also offers access to many training resources which are completely free for you to make the most of! These can all be found [here](#). We will send further communication on the parental app and how to register on or after Monday 11<sup>th</sup> May. Please look out for this information and register your child when prompted.

We will be moving the payment system from ScoPay to Arbor shortly after this (date to be confirmed) but please do not pre-load dinners and homework club bookings for June onwards, if you have already paid for items for June we will shortly be refunding this to you.

If you have any queries please email the office; [admin@gomeldon.wilts.sch.uk](mailto:admin@gomeldon.wilts.sch.uk)

## Lockdown Drill

As part of our ongoing safeguarding procedures, we held a lockdown drill this week. I am pleased to report that the children responded calmly and sensibly throughout, following instructions very well. Staff were extremely impressed with their maturity and behaviour, and there was a calm and orderly atmosphere across the school. These practices are carried out to ensure that all pupils and staff know what to do in the unlikely event of an emergency, helping to keep everyone safe.

## Attendance Corner

**Congratulations to our Chestnut class who are in the lead with their attendance at 97%!**

## Well-being

Please see attached for helpful parent information

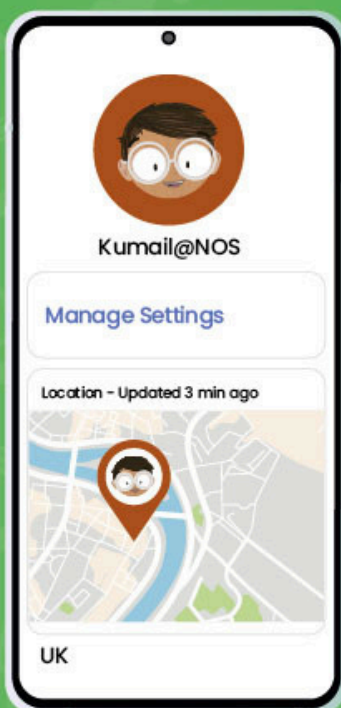

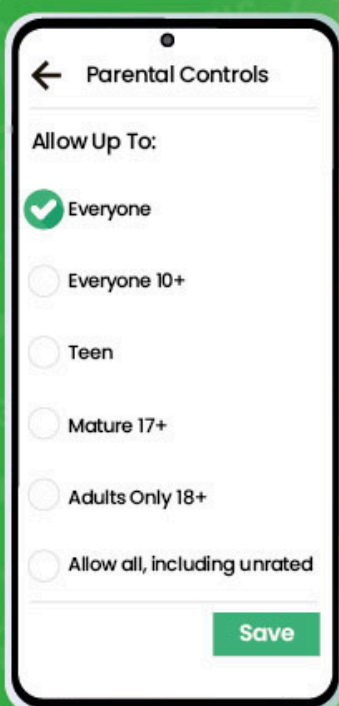

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one issue of many which we believe trusted adults should be aware of. Please visit [www.nationalonlinesafety.com](http://www.nationalonlinesafety.com) for further guides, hints and tips for adults.

# How to Set up PARENTAL CONTROLS to limit age-inappropriate CONTENT Android Phone

[www.nationalonlinesafety.com](http://www.nationalonlinesafety.com)

The settings on an Android device allow you to prescribe certain rules for when your child is using it. For example, you can block specific types of content to reduce the risk of your child being exposed to age-inappropriate material (music with explicit lyrics, for instance, and games, TV shows or movies that are unsuitable for young people). There are two ways to access parental controls on an Android phone: through Google Play or via the Google Family Link app. You can also lock your changes behind a PIN, so your child (or anyone else) can't change them back.

## Set up parental controls with Google Family Link

- 1 On your phone, install Google Family Link for Parents
- 2 Tap Open and review the information
- 3 Tap Get Started
- 4 Tap Next to set up your child's device
- 5 On your child's phone, download Google Family Link for Children & Teens and enter the Family Link setup code provided
- 6 On your phone, open the Family Link app
- 7 Tap your child's name
- 8 Tap Manage Settings
- 9 Tap Controls on Google Play
- 10 Tap the content you would like to restrict
- 11 Choose how to filter or restrict access

## Set up parental controls with Google Play

- 1 Open the Play Store app
- 2 Tap Menu (represented by three horizontal lines)
- 3 Tap Settings
- 4 Tap Parental Controls
- 4 Enable Parental Controls
- 4 Create Pin
- 4 Tap the content you would like to restrict
- 4 Choose how to filter or restrict access

This month we are spot lighting the feedback from some of our families.

### Baby Massage

Being able to confidently massage our baby means a lot to myself and baby's dad. It's a different way of caring and helps baby's wind down ready for bed.

Video feedback

### Bookstart

"I've started reading to my daughter wherever she is—whether she's sitting on my lap or playing nearby—because I now understand that it still has a positive impact, no matter what she's doing. She's become much more interested in picking up books herself, and I've noticed she's a lot more chatty too. I'd definitely recommend this course to anyone with a little one."

### Within My Reach

The course has helped me to recognise my own thoughts and feelings and how I can better manage these when me and my wife are arguing. This has helped me to think before I speak and to recognise the way I speak- meaning my children will no longer hear the arguments when we have them. I know now when I need to take time out to calm down

### Sensory Play spaces

The freespace is quick easy and super clean! It's a calm controlled environment that assists the children with lots to do but also feels like you can breathe as a parent

### Triple P

Learning to use assertive communication rather than being emotional will help me to make better decisions when talking to my ex, talking to him has always been so hard because I am angry about things, but now I can talk to him directly without feeling angry and by being strong

Why are nappy sacks so dangerous?

They're found in almost every changing bag, but did you know that nappy sacks can kill small babies?

As nappy sacks are flimsy, they can easily cling to a baby's face as they breathe in and can tragically result in suffocation or choking.

## Year 5 Open Events 2026 - Book Now!

Our Open Mornings will take place on Tuesday 16th and Wednesday 17th June.

There will be two sessions available on each day, 9am - 10:30am and 11:15am - 12:45pm.

Each session will include a tour of the school; to enable you to experience the atmosphere of our school first hand and have your questions answered by our staff and students. There will also be a presentation from our Headteacher.

Our Taster Days will take place on Thursday 25th and Friday 26th June.

Taster Days provide your Y5 child with an opportunity to experience a varied curriculum with other Y5 children for the day.

Please do book your Y5 child in to one of these days. We look forward to welcoming them.
