Curriculum Letters to Parents and Homework

Curriculum letters to parents and carers are now available on the school website. You can find these in the Parents tab and access the class page for your child.

You will also be able to find the homework menu for your child's class. Please don't hesitate to ask if you would like a paper copy, we can print this for you at school.

Nasal Flu Vaccinations

It's that time of year again, please read the following NHS letter related to the Flu Vaccination for your child - action is required!

Dear Parent/Guardian,

Your child's flu vaccination is now due.

This vaccination is recommended to help protect your child against flu. Flu can be an unpleasant illness and can cause serious complications. Vaccinating your child will also help protect more vulnerable family and friends by preventing the spread of flu.

Please complete the consent form (yes or no) using the following link:

www.bswschoolagedimms.co.uk/Forms/Flu

Please use the school code: WT126195

Please ensure you complete your child's consent no later than 48 working hours before your school session to ensure your child receives their vaccination.

We are visiting your child's school Gomeldon Primary School on 12 December 2025

Most children are offered a nasal spray vaccine which is a quick, simple and painless spray up the nose. The nasal spray vaccine is the preferred vaccine.

A leaflet explaining the vaccination programme for primary aged children can be accessed at:

https://assets.publishing.service.gov.uk/media/66730c5864e554df3bd0db99/UKHSA_12922_Protecting_your_child_against_flu_leaflet_03_WEB.pdf

A leaflet explaining the vaccination programme for secondary aged young people can be accessed at:

https://assets.publishing.service.gov.uk/media/64a2e2e245b6a2000c3d47de/UKHSA-12388-protect-yourself-against-flu_information-for-those-in-secondary-school.pdf

This includes details about the small number of children for whom the nasal vaccine is not appropriate. The nasal spray vaccine contains a very small amount of gelatine from pigs (porcine gelatine) as an essential ingredient to keep it stable and able to work. For those who may not accept medicines or vaccines that contain porcine gelatine, a porcine-free flu vaccine injection is available as an alternative. Consent can be provided using the link above.

Primary School Aged Children requiring injectable flu: Once you have completed the consent form for the flu injection, the Immunisation Team will send you a link to book your child into one of our Community Clinics you will then be directed to book a clinic appointment.

Even if your child had the vaccine last year, the type of flu can vary each winter, so it is recommended to have it again this year or they won't be protected. Since the programme was introduced, most children offered the vaccine in schools have had the immunisation.

If you have any queries, please contact the School Aged Immunisation Team on 0300 247 0082 or email us using vcl.immunisations@nhs.net

Yours sincerely,

Roanna Ellis

Professional Lead for School Aged Immunisation, B&NES, Swindon and Wiltshire, and B&NES School Aged Health

If your child becomes wheezy, has a bad attack of asthma, or has started oral steroids for their asthma after you return this form, please contact the School Aged Immunisation Team on 0300 247 0082.

If you decide you do not want to vaccinate your child against flu, please complete the consent form giving the reason. This will help us plan and improve the service.

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Need to Know about CONSPIRACY THEORIES

Conspiracy theories are false or misleading beliefs that explain events as secret plots, often involving powerful groups. While once fringe, they are now more accessible through digital media, online influencers and because of algorithmic recommendations. The DfE guidance document, 'Keeping Children Safe in Education' (KCSIE) explicitly recognises conspiracy theories as potential content risks. This guide will help parents and educators understand the risks, spot the signs, and build children's resilience to conspiracy theories.

WHAT ARE THE RISKS?

UNDERMINING TRUST

Conspiracy theories can lead children and young people to distrust democratic institutions and British Values, teachers, and even their own families and loved ones. This erosion of trust makes young people more vulnerable to extremist narratives by isolating them from reliable sources of information.

ONLINE ALGORITHM TRAPS

Social media platforms can often recommend sensationalist content. Once a child engages with one conspiracy-themed video or post, algorithms push more of the same, thereby creating an echo chamber that can intensify their beliefs.

MENTAL HEALTH IMPACT

Exposure to frightening conspiracy content, such as global plots, viruses, or government control, can fuel feelings of anxiety, paranoia, or hopelessness. For some young people, it can trigger prolonged distress or obsessive thinking.

GATEWAY TO EXTREMISM

Conspiracy theories can often overlap with extremist ideologies. Narratives that blame specific groups, such as politicians, scientists, or particular ethnic groups, can groom children in ways that foster hate, bigotry, and radicalisation.

CONFLICT WITH PEERS

Belief in conspiracy theories can lead to isolation or conflict at school. Children may struggle with peer relationships if they express these beliefs or become distrustful of others who disagree; sometimes, confrontation can even result in a strengthening of the belief in the conspiracy theory.

ERODED CRITICAL THINKING

Young people influenced by conspiracies may reject evidence-based learning. This risks undermining their academic progress and weakening their ability to think critically, assess risks, or engage in healthy debate.

Advice for Parents & Educators

CREATE SAFE CONVERSATIONS

Don't mock or dismiss any questions that children and young people ask about conspiracy theories. Instead, create open, judgement-free spaces to talk. This strengthens trust and makes it more likely they will confide in you.

PROMOTE CRITICAL THINKING

Teach young people how to assess information critically. Encourage them to ask appropriate questions, such as: Who is telling me this? What evidence is there? What do other trusted sources say? Use real examples from current media to explain your answers and reasoning.

MONITOR DIGITAL BEHAVIOUR

Be aware of the content children are accessing, especially on platforms such as TikTok, YouTube, or Reddit. Use parental controls, but more importantly, maintain ongoing dialogue about online experiences and influencers.

REINFORCE RELIABLE SOURCES

Point children toward trustworthy and reliable sources of news and information in a variety of formats tailored to the young person's age. Build habits of verifying facts using reliable sources, and teach them how to spot misleading content.

Dear Parent/Carer

Open Evening – Wednesday 24th September

We are delighted to announce the arrangements for our Open Evening taking place on Wednesday 24th September, 5.00pm – 7:00pm.

This is an event for students, Parents/Carers currently looking at secondary schools in the area, and is designed as a "Introduction to WSE". Therefore, if you haven't taken part in any of our recent Open Events, this is the perfect event for you to attend.

During the evening there will be an opportunity to hear from our Senior Leadership team, and to tour our school, led by some of our wonderful students. Whilst normal lessons will not be taking place, we will provide you with a glimpse into our school and an opportunity to explore our learning spaces.

After the tour, there will be a further opportunity to ask any questions you may have for our Senior Leadership Team and Students.

Refreshments will be available from our PTA.

If you would like to attend please book your place via the link below:

[Open Evening Booking Form](#)

If you are unable to make this event, we do still have some spaces available on our Year 6 Open Morning on Wednesday 17th September. Please follow the link on our Website.

Yours sincerely

Be a Chorister for a Day

Saturday 4 October 2025, 1pm-6pm

Does your child love singing? If so they may enjoy the chance to become a chorister for a day. Children in years 2, 3, and 4 are welcome to enjoy a fun afternoon of singing and music at the Cathedral school and in Salisbury Cathedral, after which they will sing with the current choristers at an Evensong service.
