Salisbury Mini-Marathon 2026

Congratulations to all of the runners who took part in last Saturday's Mini-Marathon. I am delighted to announce that our Year 3 and 4 Boys came in 3rd place for the Small Schools team event and our Year 5 and 6 boys came in 1st place for the Small School's team event, bringing home a shield for the trophy cabinet! Our thanks to Mr Chapman for taking time from his weekend to ensure we could take part!

Arbor

Arbor is now ready to receive meal orders and to make bookings for Morning Club. These sessions are available to book from 2nd June onwards.

If you have a credit balance in either of these, then this will have been transferred to Arbor for you.

You will no longer be able to make bookings through Scopyay.

In due course, we will be bringing on board additional features through Arbor, these will be communicated shortly.

Staffing Recruitment

I am delighted to announce that following a rigorous recruitment process we have appointed an Assistant Headteacher with SENDCo responsibilities who will be joining the Gomeldon team from September 2026. Gemma Field is an experienced SENDCo, Assistant Headteacher and Teacher, she will be in post as the Class Teacher for our Year 1 and 2 children in Oak Class. This means that in September, Miss Higginbottom will be taking up the post of Class Teacher in the Ash Class with our Early Years pupils.

Phonics Screening Parent information session

Thank you to those parents who were able to come along and support the learning of their children for the phonics screening check, as well as their wider reading journey. If you were unable to attend, you can view the training video on the school website, under the Oak Class page.

Multiplication Tables Check - Year 4

Year 4 pupils have been working extremely hard practising their times tables in preparation for all of their learning as Mathematicians, but also to prepare for the MTC that takes place in the first week back after half term. With this in mind, it's a great opportunity to use Times Tables Rockstars over the half term break to keep their memory of these facts ticking over. Please do support your child with this to ensure they perform their very best when we return to school.

Teacher Training Day

A reminder that the first day of term 6 is a Teacher Training day. No pupils will be in school on Monday 1st June.

Sports Day

A reminder that our annual Sports Day is scheduled for Thursday 11th June. This is for Year R, 1 and 2 in the morning session and then for Years 3,4,5 and 6 in the afternoon session. In the middle we enjoy a family picnic lunch. More information will follow immediately after the half term break. Let's hope the weather holds for a special day!

Teddy bear's Picnic

In our usual Gomeldon tradition we will be holding our Teddy Bear's Picnic to support Naomi House on Friday 26th June. Bring a sensible sized teddy and £1 donation!

Our Big Teddy Takeover will take place on
Friday 26th June 2026
Don't forget your
teddy and £1 donation!

This month we are spot lighting the feedback from some of our families.

Baby Massage

Being able to confidently massage our baby means a lot to myself and baby's dad. It's a different way of caring and helps baby's wind down ready for bed.

Video feedback

Bookstart

"I've started reading to my daughter wherever she is—whether she's sitting on my lap or playing nearby—because I now understand that it still has a positive impact, no matter what she's doing. She's become much more interested in picking up books herself, and I've noticed she's a lot more chatty too. I'd definitely recommend this course to anyone with a little one."

Within My Reach

The course has helped me to recognise my own thoughts and feelings and how I can better manage these when me and my wife are arguing. This has helped me to think before I speak and to recognise the way I speak- meaning my children will no longer hear the arguments when we have them. I know now when I need to take time out to calm down

Sensory Play spaces

The freespace is quick easy and super clean! It's a calm controlled environment that assists the children with lots to do but also feels like you can breathe as a parent

Triple P

Learning to use assertive communication rather than being emotional will help me to make better decisions when talking to my ex, talking to him has always been so hard because I am angry about things, but now I can talk to him directly without feeling angry and by being strong

Why are nappy sacks so dangerous?

They're found in almost every changing bag, but did you know that nappy sacks can kill small babies?

As nappy sacks are flimsy, they can easily cling to a baby's face as they breathe in and can tragically result in suffocation or choking.
