

Primary School

GOMELDON PRIMARY SCHOOL

Newsletter 9th January 2026

Value of the term: Resilience

Learners of the Week

Ash Class: Xavier, a wonderful Author Reader

Oak Class: Dotty, an amazing Athlete

Beech Class: Emyr, an all round great learner

Chestnut Class: Mina, an awesome Athlete

Sycamore Class: Cohen, a marvellous Mathematician

A warm welcome back to school on what has been a very wintery start to January. My thanks for your patience with aspects of drop off and pick up that have helped us to keep everyone safe.

We look forward to the wealth of learning that will be taking place across school in this term, as we move on to our second 'R' Value of the school year, 'Resilience'.

You are able to see what is in store for your child's learning on the school website on their class page, where you can also access their homework menu and information on ways you can support your child's learning journey this term.

Well-being

Please see attached for helpful parent information

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one issue of many which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

How to Set up PARENTAL CONTROLS for PRIVACY iPhone

The privacy settings on your child's Apple device give you control over the information stored on it. This allows you to select which apps can access features and information on your child's device: for example, you might wish to block a social networking app from connecting to the camera reel, or specify which apps can use the device's location data.

How to make changes to privacy settings

You can block certain apps from obtaining information from your child's device. You can also prevent your child (or anyone other than you) from altering these settings.

1 Open 'Settings'

2 Tap 'Screen Time'

3 Tap 'Content & Privacy Restrictions'

4 Scroll to 'Privacy'

5 Choose the settings you wish to restrict

6 After you've made any changes, select 'Use Screen Time Passcode' to lock your changes with a PIN

How to prevent changes to other settings/features

You can also stop changes being made to the iPhone's other settings or features by anyone but you. For example, you can prevent your child from altering their passcode, accounts or mobile data settings.

1 Open 'Settings'

2 Tap 'Screen Time'

3 Tap 'Content & Privacy Restrictions'

4 Scroll to 'Allow Changes'

5 Select 'Allow' or 'Don't Allow' on the settings for which you wish to enable or disable changes
