	ALLERGENS & INTOLERANCES At Gomeldon we take food allergies and intolerances very seriously. If your child has any food allergies or intolerances you need to make us aware prior to ordering any food items. We have a full menu of food items that are safe for your child's school meals. We are not responsible for any allergic reactions to our food items. WHISKED by Clearview				

It has been wonderful to see our children returning to Gomeldon Primary School, excited to join their new classes and ready for a year full of learning, friendship and new experiences. We are also delighted to welcome new children and families who have joined our school community this term.

A special mention goes to our Ash Class children, who have started school for the very first time. Beginning school is such an important milestone, and we are proud to welcome them into the Gomeldon family. At Gomeldon, we place great value on the close, caring relationships that make our school so special, and we look forward to working together with all our families to help every child thrive. Here's to a happy, successful and memorable year ahead for our whole school family.

Arbor for School Meals

Don't forget to log in to Arbor and order school meals. If your child has started here with us this week you will need to do this for the first time. Please don't hesitate to make contact - we are here to help!

Wrap Around Care

A reminder that we have wrap around care from 7:50am every morning and After School Club until 5pm from Monday to Thursday.

Morning Club is bookable using Arbor and takes place in the school hall - please enter through the visitor gate and bring your child directly to the hall door where we look forward to welcoming them in.

After School Club is bookable using the following link: <https://district-sports-south.classforkids.io/camp/23>

We are very keen to run a Friday session but need more people to sign up to make this happen - if you think that a Friday would be valuable to support you, please do give it a try and help to get this session off the ground again!

Dates for the Year Ahead

On the end of the weekly newsletter you will find a list of dates for your diary. Occasionally these are subject to change but we try to ensure you have as much notice as possible. We will add to them as the year goes on, so do keep an eye out for changes and additions every week.
