Dear Parents/Guardians,

In light of the Amber Alert for the weather in the coming three days I am writing to update you about proposed plans at school.

Our unique site (with no shade and mobile classrooms) means that we are more vulnerable to the heat. Whilst we do our best to make the best of air flow, fans and the limited use of AC in the hall and ICT suite, it is impossible to keep all of the children cool enough at the hottest parts of the day.

With that in mind, and in conjunction with Pickwick Academy Trust and our Chair of Governors, we have taken the decision to bring the collection of our pupils forward on Tuesday, Wednesday and Thursday to 2pm. There is no expectation for families to do this, and there will be provision on site for pupils who remain, the aim is to reduce the number of pupils in classrooms at the hottest point of the day for their own well-being.

If you know that you will be collecting children, it would be helpful to know in advance so that we can ensure they have their belongings ready, please notify the office. If you are unsure and cannot notify, please do come along and collect them when you can.

Please come to the visitor entrance and buzz through for the office where we will need you to sign your child out.

Any questions, please do make contact and ask,

Best wishes

Catherine Windross  
Headteacher
