## ‘Emile’ Spelling at Gomeldon

As you will be aware we have begun a new way of learning spellings from Year 2 to Year 6 both at school and at home which is supported by Emile, an online platform for practice.

At school, spelling takes place through two taught sessions and two practice sessions a week in class, with a low stakes test to see how it's all going and to plan for what comes next.

In addition to this, there is the option for children to use Emile spelling to practise their spellings for the week which will take place as a learning game on either the website or the app. Once the learning game set by class teachers is complete, there is access to the remainder of the platform to extend their learning as they wish, working in a fun game style. Whilst we value the chance for pupils to practice, traditional spelling practice on paper is ok too!

To support you with this there is a help sheet on the following page of the newsletter. If you haven't already seen them, your child has their log in details in their reading record book. Please use these details when logging in.

The platform for Emile can be found online at:  
<https://emile-education.com/app-downloads/student-log-in-access-app-or-online/>  
or by scanning the code.

## Before and After School Club

Our remote doorbell is finally operational! When attending before and after school clubs, please now use only the visitor gate to access school. This will be closed but press the bell to alert someone in the club that you are here and they will let you in.

Please note that the bottom pupil entry gate will not be opened at the end of club - all access is now through the visitor gate via the bell.

## Emile Spelling – A How-To Guide

### Logging in – Computer/Tablet/Mobile

1 Open the **Emile** website or app

2 Enter your child's:

- School Name
- Username
- Password

3 Select **LOG IN**

### Completing 'important' tasks

When your child logs in, the **Tasks** page should automatically load.

Click **Play** to start the task.

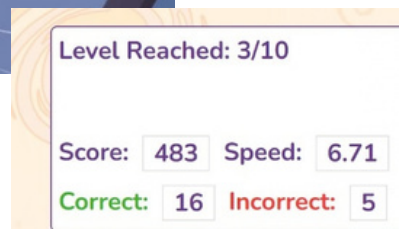

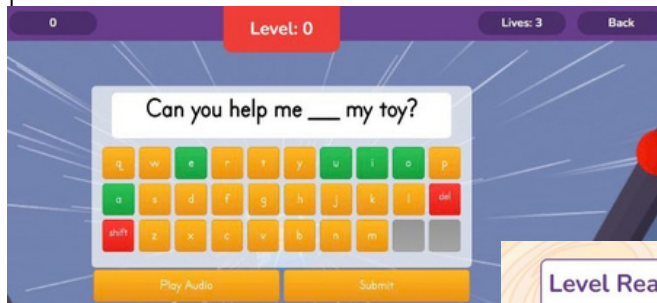

**Important** tasks must be completed. Once finished, they will have access to other areas of the site.

### The Rating Game

This should be played before completing any other games.

The game will automatically work out the appropriate level of vocabulary for your child to practice within other activities.

Sound is required to complete the game.

### Other Game Modes

After completing the rating game, **Learn** and **Practice** mode will allow your children to have a go at any spelling pattern within the automatically selected levels.

**Endless** plays similarly to the rating game but will start your child from the level they reached i.e. level 3.

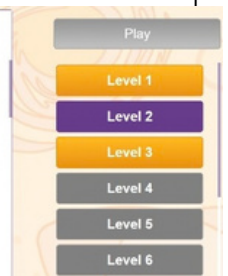

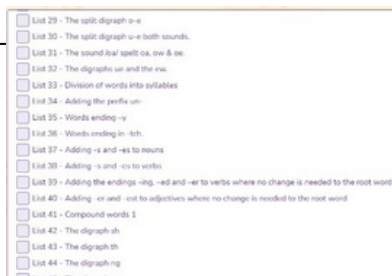

**Story** mode takes your child through a game world, learning spellings as they play. **\*\*Note:** Story mode is only available through the app.

**Multiplayer** and **Duels** can be created and played by your child. They can only play against other Gomeldon pupils.

### Note

Emile is optimised to be used within the app. Using it will give your child the optimum experience.

## Gomeldon Football Club

Please do log in online to pay for Astrella Football club if you are attending.

## Label School Clothing

A reminder please to label all clothing that your child wears or brings to school. It is much easier to relocate an owner!

## Scolastic Book Fayre

I am delighted to give you advance warning that the book fayre will be visiting Gomeldon between 24<sup>th</sup> and 27<sup>th</sup> November.

## Gomeldon Parents Association

Great news from our GPA! Please do read their latest newsletter which was emailed earlier today to find out about fundraising for this year as we set ourselves a tech challenge!

# How to Set up PARENTAL CONTROLS for PRIVACY iPhone

The privacy settings on your child's Apple device give you control over the information stored on it. This allows you to select which apps can access features and information on your child's device: for example, you might wish to block a social networking app from connecting to the camera reel, or specify which apps can use the device's location data.

## How to make changes to privacy settings

You can block certain apps from obtaining information from your child's device. You can also prevent your child (or anyone other than you) from altering these settings.

1 Open 'Settings'

2 Tap 'Screen Time'

3 Tap 'Content & Privacy Restrictions'

4 Scroll to 'Privacy'

5 Choose the settings you wish to restrict

6 After you've made any changes, select 'Use Screen Time Passcode' to lock your changes with a PIN

## How to prevent changes to other settings/features

You can also stop changes being made to the iPhone's other settings or features by anyone but you. For example, you can prevent your child from altering their passcode, accounts or mobile data settings.

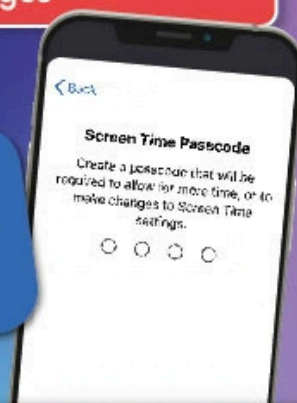

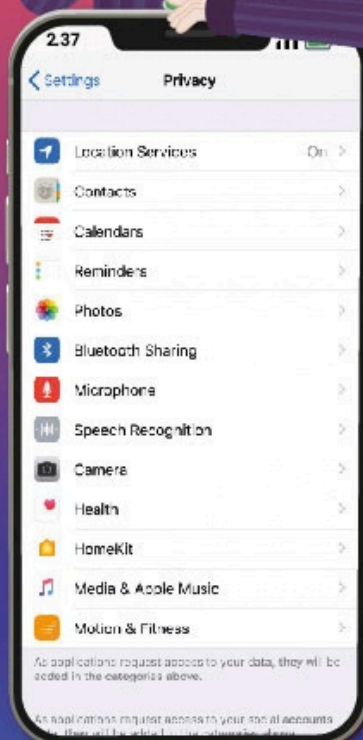

1 Open 'Settings'

2 Tap 'Screen Time'

3 Tap 'Content & Privacy Restrictions'

4 Scroll to 'Allow Changes'

5 Select 'Allow' or 'Don't Allow' on the settings for which you wish to enable or disable changes

supporting parents and  
children to learn together

**NEW**

We are excited to introduce our brand new group for families:

## Peep Learning Together Group

Join us for a series of relaxed session of stories, songs, play, and conversation. Together we'll explore easy, enjoyable ways to support your child's development through everyday family life and create new connections with other parents and carers

Come along and join a weekly group learning together for children under 5 years with their parent/ carer .

See our [website here](http://www.wiltshirefamilyhubs.org.uk) to let us know you are interested

You can still attend our range of Time out for Parents programmes, Five to Thrive, Bookstart and more. See our website for more details

## Car Seat Safety

### Did you Know??

Babies shouldn't sleep in car seats for long periods. Car seats are designed to keep babies safe while travelling, but they're not designed to be a main sleeping place so they're not suitable for sleeping in for long periods. Use them for transport only, not as an alternative to cots or high chairs.

All children travelling in a car must use correct child restraint for their weight and height until they are 135cm tall or 12 years of age

ROSPA have clear information and guidance around the use of car seats
