

# REEDLEY HALLOWS NURSERY SCHOOL NEWSLETTER MARCH 2026

March 2026

Dear Parents/Carers

Once again we have come to the end of the term. As always, we have had an exciting time in school filled with lots of learning along with a great deal of fun. The children have made so much fantastic progress since they started with us in September, hopefully you have noticed that too. I hope this newsletter gives you an insight into some of the things the children have been doing in school - if there's anything else that you would like me to include in future please let me know! For those of you celebrating Easter whilst we are off, I hope you have a lovely time with your family and friends.

Mrs Gordon

## SCHOOL FUND

A reminder that school fund will be due again when we return after the half-term holiday, unless you have already paid for the full term. This is £2 per week and can be paid weekly or in a block of £12 for next half-term. Please pay on Weduc or by card at the office.

School fund pays for fruit every day for the children, visitors into school, treats for special occasions etc.

## REMINDERS...

- School sessions start at 8:40am and 12:40pm - please try to arrive on time, so your child doesn't miss their group/class teach time at the beginning of the session
- Please make sure your child's name is in all their items of clothing - without their name, it's very hard for us to get any lost items back to the right child!
- If your child is going to be absent due to an illness or medical appointment, please use the 'report an absence' button on Weduc or telephone the office to let us know. Do not email the class teacher to report an absence as their mail boxes are not checked during the day

## DATES FOR YOUR DIARY

**30<sup>th</sup> March - 10<sup>th</sup> April - Easter Holidays**

**13<sup>th</sup> April - school re-opens for the summer term**

**4th May - Bank Holiday - school will be closed**

**10th - 16<sup>th</sup> May - Mental Health week - there will be an event for parents during that week - further information to follow**

**13<sup>th</sup> May - Language coffee morning - invitations will be sent out in advance**

**22<sup>nd</sup> May - school closes at the end of the day for the half-term holiday**

**Wednesday 3<sup>rd</sup> June - school re-opens**

## WHAT HAVE WE BEEN LEARNING THIS TERM?

Thank you to all of the parents that have been into school to be mystery readers for us, have recorded stories in the home language to be shared on Weduc or who have been into school to talk about their home country or job. The children always love to have their families in, and hopefully those of you who have been into school enjoyed it too!

## ROUTINES AN EXTRA SPECIAL VISIT FROM ONE OF OUR MUMMIES.....

One of our mummies is a paramedic and came into school to talk to the children about her job. She brought another paramedic with her and they came in the ambulance. The children learnt all about being a paramedic and had a look inside the ambulance, some of them were lucky enough to pretend to be a patient too. Following the visit, we set up our very own ambulance in school.

## OTHER VISITORS AND VISITS.....

Nursery and Twinkle Tots children have been visiting the library on campus every week. The librarian reads a story to them which is always lots of fun, and even lets some of them help by dressing up and holding the props.....

Children in Ladybird and Butterfly classes have been visiting our woodland area this term. They have had lots of fun exploring, finding bugs, running, climbing and looking at the trees and flowers.

Sunshine Room children have enjoyed taking part in dancing every week with Basically Cheer....

## BUBBLY MATHS

We had a visit from the company called Bubbly Maths. The children attended a really interesting session where they learned all about shapes, counting, size and of course bubbles! Afterwards we had fun making our own giant bubbles in school.

## LEARNING ABOUT DIFFERENT CULTURES AND TRADITIONS....

There have been lots of celebrations this term for the children to learn about, including.... Chinese New Year, Shrove Tuesday, Chinese New Year, Mothers' Day, Ramadan and Eid. They have enjoyed learning all about the traditions, dressing in traditional clothes, tasting special foods and talking with their class about how they celebrate at home.

## SUSTAINABILITY

Children across school have been learning about how to care for the environment. They have planted flower seeds and bulbs indoors and outdoors and have learnt how to take care of them. They have also been finding out about recycling and waste. They have been sorting cardboard, plastic and paper, and have been taking care not to waste paper in school by turning it over to use the other side. They have also been finding out about food waste and have learnt that it's important to put food waste into the correct bins in school. Thanks to those of you that have collected recyclable materials at home - the children have loved making models from all of the empty packaging.

## BABY AND ME GROUP

As some of you may already know, Caroline Black our family support worker is running a baby and toddler group called 'Baby and Me'. This group meets on a Thursday morning between 10am and 11:30am in the auditorium on campus. All of our families with children under the age of 4 are welcome to attend, bring along other family members and neighbours too. If you would like more information, please see the poster below, speak to Caroline or call into the school office. We hope to see you there soon. Older siblings are welcome to come too!

# Baby & Me Playgroup

Join us at our baby group

**Thursdays 10:00am – 11:30am**

 **Reedley Hallows Nursery**

 **Age range: 0-2 years**

 **Songs, sensory play, and story time**
