Dear Parents and Carers

Swimming Lessons

Following the huge success of the past three years, we are delighted to announce that we will have secured the return of the 'pop-up pool' again for summer 2026. The pool will arrive at the end of May ready for, four weeks of lessons which will begin on 1st June 2025. Children will be taught in small groups approximately 4 times per week. Lessons will be taught by a qualified instructor accompanied by a qualified life guard and class teachers and teaching assistants will support with these lessons.

We are requesting a contribution of £75.00 per child from parents, which means that each lesson costs under £5.00. Please pay via your School Gateway account, where there you will be asked to pay in five instalments of £15.00. You are welcome to pay more than one instalment at a time if you wish. Without the support of parents, incredible experiences like this could not go ahead. The price has already been adjusted for families who are eligible for free school meals. If you are experiencing financial difficulties, please contact me at the school office in confidence .

If you have any questions, please email admin@newport.essex.sch.uk

Kind regards
