Parents As Partners

Website: www.bredhurst.kent.sch.uk

Bredhurst Church of England Primary Vision:

To learn and grow through the guidance and love of God.

Jesus said *"It is like a mustard seed, which is the smallest of all the seeds on earth. Yet when planted, it grows and becomes the largest of all garden plants, with such big branches that the birds can perch in its shade."*

Drawing on the parable from St Matthew's Gospel, all at Bredhurst are included and encouraged to grow and flourish; to be the best they can be.

Dear Parents and Carers,

How lucky were our year 6 children with the sun finally making an appearance for their residential trip? They have had a fantastic time at **PGL this week**, enjoying the wide variety of outdoor activities. Every child has been impeccably behaved during the whole week and they were an absolute pleasure to take away. I absolutely loved my time with them, getting to watch how they immersed themselves into every activity and were so encouraging towards each other. It was lovely to watch them challenge themselves and gain in confidence as the week progressed. I was so impressed with seeing how they tackled and had a go at all the different activities. They really pushed themselves out of their comfort zones, which was wonderful to see.

The children have returned exhausted but filled with lifelong memories and experiences. Thank you to Mrs. Mealey, Mrs. Carey, Mrs. Place and Mr. Hepker for giving up the comfort of their own beds (and most definitely sleep – 3.5 hours on the first night!!!) to be there with our children. Thank you also to Mrs. Drewitt who taught in Kemsley class at the end of the week, enabling Mrs. Carey to attend. Hopefully the children (and staff) will be catching up on some much needed sleep this weekend. We are hoping to re-book PGL for next year for our current Year 5 children more information will be sent out when this confirmed.

Next week, we will be taking part in our **Field work week**, where the children will be looking at 'how the land is used in Bredhurst'.

As the **weather is so hot** currently the children will not need to wear their school ties. There is currently a heatwave predicted for Tuesday and Wednesday of next week so please ensure your child brings a cool drink for the day. A parent has asked about reapplying suncream – we are more than happy for your child to bring sun cream into school to reapply in the school day, especially after they have swum.

Our cricket team will be taking part in the **MYG Kwik Cricket Tournament on Wednesday**. We wish them lots of luck, it is always a tough competition! They will need to ensure they bring plenty of drinks, a hat and sun cream.

Miss Meade has asked me to remind those children who have taken part in the **Junior Duke scheme** to bring in their books. They need to have their activities signed off by a member of staff, please do not leave them

all to the last week. Send them in if they have completed some of the tasks so we can sign off those they have done. Any child who achieves over 7 tasks will be awarded a Junior Duke badge to wear on their uniform.

Well done to the year 5 and 4 children who were selected to take part in a **football tournament** on Thursday this week. They played fantastically, making it into the quarter finals, where they unfortunately were knocked out by the team who went on to win the tournament. Mr. Peters was very pleased with how well they played together and showing real resilience, especially as they were playing predominantly year 6 teams. Well done Toby, Thomas, Felicity, Tate, Harper, Freddie, Oscar and Jude. It was noted how well our two year 4 boys played, and they were both awarded a medal for playing so well, especially as they were the youngest in the whole tournament.

Kemsley class will be leading worship on Thursday 26th June at 9.05am for those parents who would like to join us and year 6 will be off on the River Medway taking part in their first water sports session!

We have had to make a couple of changes to the **swimming timetable** for next week:

Tuesday : Oakwood

Thursday: Kemsley

The children will still need to come into school in their PE kits for swimming.

We are very sad to be seeing Ms. Mcleod leaving us from her breakfast club role this week, unfortunately she needs to spend more time caring for her aging parents, she was upset to leave us too! She has been fantastic in this role, making wonderfully filling and nutritious breakfasts. The children have enjoyed their time with her. Luckily, Mr. Hepker will be taking over the breakfast club role from next week.

Have a wonderful weekend, in the sunshine!

Michelle Cox

Stars of the Week
