Bredhurst Church of England Primary Vision:

To learn and grow through the guidance and love of God.

Jesus said *"It is like a mustard seed, which is the smallest of all the seeds on earth. Yet when planted, it grows and becomes the largest of all garden plants, with such big branches that the birds can perch in its shade."*

Drawing on the parable from St Matthew's Gospel, all at Bredhurst are included and encouraged to grow and flourish; to be the best they can be.

Dear Parents and Carers,

What a hot week it has been! Luckily, next week is looking cooler and a more normal temperature than this week has been. The children were very sensible in the heat, making sure they sat in the shade when we took them outside for both lunchtime and their learning. The shaded areas were cooler than the classrooms, particularly in the afternoons.

Several classes are continuing to look at **'how the land is used in Bredhurst'**, as the weather was too hot this week for the children to be able to go out on their walks around the village.

Our cricket team will be taking part in the **MYG Kwik Cricket Tournament on Wednesday**. This is the postponed tournament from this week! We wish them lots of luck. They will need to ensure they bring plenty of drinks, a hat and sun cream.

Kemsley class led a fantastic worship on Thursday morning, all about perseverance, resilience and determination. It was lovely to watch their role plays of when they have shown determination and to listen to their ideas for their future careers! They were very inspiring! Well done to Jonah who wrote a lovely prayer for the end of the worship.

We have had to make a couple of changes to the **swimming timetable** for next week:

Tuesday: **Fir Tree**

Thursday: **Kemsley**

The children will still need to come into school in their PE kits for swimming.

On Thursday, the children will be spending time in the classes they will be in from September, this is to help them understand what it will be like for them after the holiday. Hopefully the children will enjoy the activities their class teacher has prepared for them and will finish their transition morning with big smiles and lots of excitement for next academic year.

On Wednesday and Thursday, we will be welcoming our new year R children for their transition sessions. I am certain our children will support them on their two mornings in school and make them all feel at home.

We have a 'Ready for School' talk for the parents of our new year R children on Thursday at 11.00.

We are still looking for a new **Parent Governor** to join our Governing Board. This is a fantastic opportunity to help shape the future of our school, support our pupils, and work alongside school leaders to ensure the best possible education for every child.

As a Parent Governor, you'll:

- Represent the views of parents.
- Help make important strategic decisions.
- Support and challenge the school to achieve its goals.
- Develop valuable skills and experience in leadership and governance.

No previous governance experience is needed—training and support will be provided. What matters most is your enthusiasm, commitment, and desire to make a positive difference. If you're interested in standing for election or would like to find out more, please contact Mrs Cox.

Don't forget Monday is a Staff Development Day – the school will be closed!

Have a lovely weekend,

Michelle Cox
