Friday 9th January 2026

Welcome back! It's been lovely to see everyone again, and we're really excited to be starting our journey together in **2026**.

We've returned to some very cold, bitter – and often wet – weather, so please do ensure children are dressed appropriately for the conditions.

A gentle reminder about the start of the school day: learning begins promptly at **8.45am**, which means children need to **arrive at school between 8.30 and 8.40am** to allow time to get to their classrooms. Arriving at 8.45am unfortunately means being late for learning, and regular lateness has a significant impact on progress. I do appreciate that traffic and roadworks can be challenging, but as we are all aware of these, please do try to build in an extra five to ten minutes to your journey. Let's make a real collective push on punctuality, just as we have done so successfully with our fantastic improvements in attendance. Thank you so much for your continued support with this.

Despite the cold, it's been a positive and busy start back. We've been focusing on our school community and how we work together, with lots of excited learning taking place. One year group has already been out on a trip, helping to set the tone for a great term ahead.

Thank you to all parents who supported their child with the **Winter Writing Challenge**. If you still have an entry at home, please bring it to me on Monday.

Finally, next week we are looking forward to welcoming you into school for our **Informal Parent Book**, where you'll have the opportunity to come in and look at your child's work. We look forward to seeing you then.

Thank you, as always, for your support. Miss Kondo

Parent Book Look – January

We are pleased to invite parents to our upcoming Parent Book Look, taking place next week. This is a short, informal opportunity for parents to come into their child's classroom and look through their work together.

Sessions available (15 minutes):

Tuesday 13th January at 3.15pmm- 3.30pm

Tuesday 13th January at 6.00pm - 6.15pm

Wednesday 14th January at 8.30am - 8.45am

During this time, parents are invited to:

Look through their child's books with them

Celebrate their learning

Write a short, supportive and encouraging message for their child

Please note that this is not a parent consultation. Teaching staff will not be available to discuss individual progress or answer questions during these sessions. Formal parent consultations will take place in February, after half-term, and this book look provides a helpful opportunity to see how learning is progressing ahead of those meetings.

We look forward to welcoming you and hope you enjoy sharing this time celebrating your child's work.

Thank you.

Miss Kondo

The children have had a very busy and exciting first week back in Reception. With the cold temperature, we embraced the winter weather and explored frozen water that had turned into ice in the tuff tray, which has sparked a lot of curiosity and discussion. The children also enjoyed playing in the snow, investigating how it felt and how it changed. To warm up, we shared the lovely experience of drinking hot chocolate outside together, making the most of the seasonal weather while developing our outdoor learning and exploration.

Who's been enjoying the excitement of football recently? 🏆

The **African Cup of Nations (AFCON)** is well underway and has been bringing plenty of drama and brilliant football. The tournament first kicked off back in **1957 in Sudan**, founded by **Egypt, Ethiopia, South Africa and Sudan**.

This year, AFCON is being **hosted in Morocco**, and as always, it takes place **every two years**. The most recent tournament was held in **Ivory Coast**, who were crowned champions after a thrilling competition.

A fantastic celebration of football, teamwork and sporting spirit!

Dear Parents/Carers

Year of Reading 2026

We are delighted to share that West Acton Primary School will be launching our **Year of Reading** next week.

Reading is at the heart of everything we do, and throughout 2026 we will be celebrating reading for pleasure across the whole school. Our aim is to inspire a lifelong love of books, stories and reading in all children.

Throughout the year, children will enjoy a new reading theme every month, alongside exciting school events designed to celebrate reading for pleasure. These will include author visits, family reading events, challenges and special celebration days.

Children will receive a **monthly reading challenge booklet** to complete at home. Those who successfully complete all monthly challenges across the year will receive a **prize** at the end of the Year of Reading.

Each month will feature a different celebration, including:

- Author visits
- World Book Day
- Family and parent reading events
- Seasonal reading challenges
- An end-of-year reading celebration

More information about each month's theme and events will be shared regularly.

We look forward to making 2026 a fantastic year of reading for all our pupils!

Yours sincerely

Miss Kondo, Mrs Campbell and Mrs Livingstone

Kurling league

Just before we broke up for the holidays, pupils from Oak class participated in the second part of the Kurling league at Featherstone High School.

We had a great day competing against other Ealing primary schools. Sixteen schools took part and we came 4th which is a fantastic achievement. The children worked together as a team constantly encouraging and praising each other. They also had a lot of fun. We are so proud of all of them. Well done!

Dear Parents /Carers,

Re: School Attendance – Positive Progress

We are writing to share some encouraging news about school attendance and to thank families for the improvements we have seen this year.

So far this academic year, our overall attendance stands at 95.7%, which represents an improvement on last year. This places our school in the **top 30-40% of schools nationally**, meaning attendance is now better than around two-thirds of schools across England. Within our local authority, we are also securely placed within the upper half of schools.

This improvement reflects the commitment of many parents and carers who ensure their children attend school regularly and on time, and we would like to thank you sincerely for your support.

Why attendance continues to matter

Despite this positive progress, attendance remains a key priority for the school. Regular attendance is essential for children's learning, wellbeing and sense of belonging.

Impact on children

- Academic achievement: Each day in school builds on the last. Missing lessons can lead to gaps in learning that are difficult to close.
- Social development: School supports friendships, confidence and communication skills through daily interaction.
- Routine and security: Consistent attendance helps children feel settled, safe and ready to learn.

Impact on the school community

- Strong attendance supports high-quality teaching and learning for all pupils.
- It ensures school resources are used effectively.
- It contributes positively to how the school is viewed by the local authority and Ofsted.

Areas we are still working on

While overall attendance has improved, we continue to see:

- A small number of pupils whose attendance is **persistent** (below 90%) or **severely low**
- Occasional term-time holidays
- Regular late arrivals, which disrupt learning for the child and their class

We understand that illness and exceptional circumstances do occur. However, we ask families to avoid term-time holidays wherever possible and to ensure children arrive at school punctually every day.

Support and information for families

Parents can monitor their child's attendance at any time via the school app MCAS, rather than waiting for termly reports.

Further national guidance for parents can be found on the Department for Education's Parent Hub:

<https://educationhub.blog.gov.uk/2024/08/19/fines-for-parents-for-taking-children-out-of-school-what-you-need-to-know/>

Working together

Head Teacher: Miss K Kondo

We ask all families to continue working with us to strengthen a culture of regular attendance and commitment to education. Where concerns arise, early communication with the school is key. We remain committed to working collaboratively with parents and carers. Support is available through meetings, early intervention and guidance where attendance becomes a concern. Letters are sent when attendance reaches key thresholds to ensure families are informed and supported early. Miss Sanusi and Miss Ghaderi are always ready to help – please reach out to them if you need support.

Finally, we would like to thank those parents and carers who consistently ensure their children attend school regularly and on time. Your commitment makes a real difference to your child's success and to our wider school community, and it is greatly appreciated.

Yours faithfully,
Karen Kondo

Our School Vision

West Acton Primary School, a welcoming community, growing and learning together

At West Acton Primary School, we are a dynamic and inclusive community of lifelong learners. We nurture every child to reach their full potential through an engaging, forward-thinking curriculum and a culture that builds courage, consideration and collaboration. As an aspirational community, our staff, pupils and families grow together—developing digital and emotional intelligence, a strong sense of wellbeing and environmental awareness—ready to make a positive impact on their communities and the wider world.

Please can I remind you to wait until your child is off of the school site before you start giving them food and snacks. As you know we are a healthy school with a sugar smart status.

Please do NOT give your child snacks on site at 3.15pm - especially bags of crisps, cakes, ice lollies and ice cream.

Thank you for your continued help making our school neat and clean.

We are a SUGAR SMART SCHOOL

Only give water for your child's drink
KS2 - bring a healthy snack- fruit or raisins for break time
Do not give your child food to eat when collecting at home time - please wait till you have left the school
Healthy lunchboxes - sweet treat once a week
Healthy school dinners - 'puddings' once a week

**SUGAR

We were very lucky to have T- shirts donated for all our children in July. If your child has out grown their T-shirts please wash and return them so that we can recycle it and give it to another child. If we have another T-shirt we can offer your child one – if not please provide your child with a plain white T-shirt (or purchase another house colour T-shirt yourself).

We hope to replenish T-shirts every two years.

TIP FROM SCHOOL THERAPIST

Happy New Year to you and your families!

It's lovely to return to the school community.

I hope you are all well.

Well done for making it through the busy holiday period.

The children have loved spending time with you, being at home and making memories. Settling back into a routine after some time at home can be challenging for the children.

How can parents/carers help?

Children thrive on routine. It helps them to feel emotionally safe to know what they are going to do now and what is coming next. Planning your morning routine and preparing the night before will help everyone to feel calmer in the morning.

Having limits around bedtime, dinnertime, homework time, playtime and family time, helps to create a secure routine with clear boundaries for our children. So, take it one step at a time, start with a bedtime routine that is the same every night to get them that all important sleep.

Having a simple schedule or routine can also mean that we can add in some time in our week, for play and connection with our children, which is often what they are looking for after spending so much time with you.

I look forward to wishing you a happy new year, in person, at our first Parent/carers Coffee Morning of the year.

*It will be on **Thursday 29th January 2026** from **9.00am -10.00am** in the Conference room.*
