Year 5 Author Visit - Farhana Islam at The University of West London

At the end of April, some of our year 5 children had the opportunity to visit the author, Farhana Islam at The University of West London, as part of the Ealing Book Festival. The children were very excited and showed such eagerness to find out more about how to become an author. Some interesting questions posed to Farhana were: What is your favourite book? **Answer: The boy at the back of the class by Ojali Q. Rauf** and When did you first become an author? **Answer: In year 2!**

Year 4 Mini-Tennis Tournament

At the beginning of the Summer Term, our year 4 children took part in the Featherstone School Sports Partnership Mini-Tennis tournament at Gunnersbury Sports Hub. They all played to their best ability, showing good hand co-ordination and listening carefully to the advice given by the adults. They all displayed our school values of consideration and collaboration throughout the game.

Year 5 Mini-Tennis Tournament

At the beginning of the Summer Term, our year 5 children took part in the Featherstone School Sports Partnership, Year 5 Mini-Tennis tournament at Gunnersbury Sports Hub. The children enjoyed playing the matches and showed good collaboration and consideration for their team, as well as to the other schools. Nico and Sara K were the outstanding winners of most of their matches. Sara A, Emilie and Omar all demonstrated good workmanship.

Reception - This Term's Topic: Growing 🌱

This term, our Reception children have been exploring the exciting topic of *growing*. They have thoroughly enjoyed reading the story *Jasper's Beanstalk* and learning about how plants grow. As part of our learning, the children had the opportunity to plant their own beans. It has been wonderful to see their enthusiasm and care as they look after their plants. Some beans have already started to sprout, which has created great excitement in the classroom! The children are now eagerly observing and discussing whether their plants will grow into tall beanstalks, just like Jasper's. We are looking forward to watching their progress over the coming weeks!

Well done to Rowan Class for their excellent assemblies this morning. They did a fantastic job of sharing everything they have been learning, and we were very proud of them.

It has been a very busy week across the school, with a range of trips and sports competitions taking place. It has been wonderful to see so many pupils representing the school so positively.

We have also really enjoyed the spring sunshine and dry playtimes this week—it certainly makes a difference to the school day!

Wishing everyone a very enjoyable three-day weekend. We look forward to welcoming everyone back to school on Tuesday 5th May. Miss Kondo

If we have another T-shirt we can offer your child one – if not please provide your child with a plain white T-shirt (or purchase another house colour T-shirt yourself).

We hope to replenish T-shirts every two years.

TIP from School Therapist Mrs Ahmad

All humans resist feeling controlled by someone else, and kids are no different. The more they feel "pushed around" the more they rebel. That is a good thing! Training a child to be obedient means you'll always have to be there to give orders, and as they grow up they may find it more difficult to stand up for themselves. Instead, teaching a child self-discipline raises a child who can think for themselves, stand up for what is right, and is not likely to be taken advantage of.

How can parents/carers help?

Choose your battles. Make sure your child knows you're on his/her side and that they have some choices. When you feel you are entering a power struggle, offer them two choices that you feel OK with. This will allow them to feel they have some control, while you also continue to hold your boundaries.

Coaching your child rather than trying to control him/her will help them to be able to think for themselves.

There is going to be having another Parent/carers Coffee Morning coming up so please look out for the invite. It will be on [Thursday 21st May at 9.00am.](#)

I look forward to seeing and speaking with some of you there,

Emma

Our School

Our school encourages families to think about more sustainable ways of travelling to school. This will help reduce parking issues and make the area outside our school a safer place to be. You will be benefitting your own health while setting a great example for your child.

This map will help you plan your route whether you decide to walk, cycle, scooter or take public transport, all or part of the way.

Please support us to reduce congestion, improve local air quality and the health and well-being of the whole school community.

Active Travel

Walking, cycling and scooting are all excellent forms of active travel. They are easy ways to get your recommended daily 60 minutes of exercise and help you maintain a healthy weight. You also reduce the risk of developing asthma, type 2 diabetes and even mental health disorders.

Children who travel actively to school develop better road safety awareness and later will be more able to travel independently. Physical activity also improves mood as well as academic performance at school.

Why not make active travel part of your daily routine?

Why Walk to School?

Walking is simple, free, and great exercise! It also gives you the opportunity to chat to your child about their day.

83% of Ealing families live within a mile of their school, a distance that can be walked, cycled or scooted by most people. If you live further away, and you drive or need your car for an onward journey, why not try parking further away and walking the rest? You may even find it is quicker than finding somewhere to park near the school and fewer cars helps to make the area around the school safer.

Did you know?

You are exposed to less air pollution when travelling actively than when inside a car!

TfL Travel for Life is a free education programme supporting the next generation of Londoners to travel towards a brighter, safer and more sustainable future. Be part of the solution.

Cycling and Scooting

Cycling and scooting to school is easy, safe and fun, especially as it's something you can do together. It can help to improve co-ordination, motor skills and balance, helping children to thrive in PE lessons!

You can join in the fun using an adult scooter. And bicycle child seats and trailers can help you to cycle with smaller children. It's often much quicker too!

Public Transport

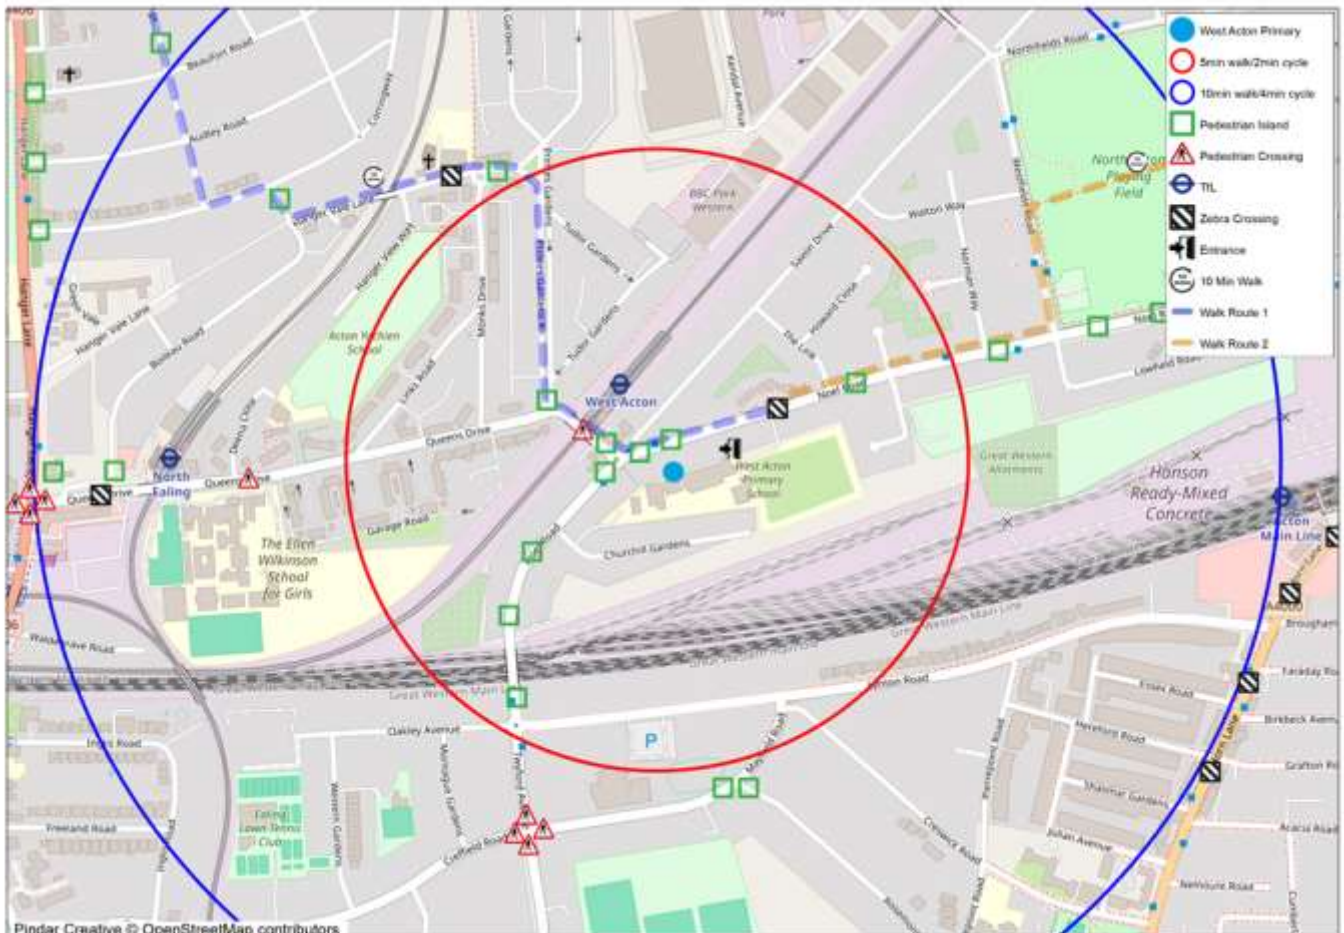

Taking the bus instead of the car helps to make it safer around the school gates where parking is restricted, as well as helping your child become more independent.

Why not get off one stop earlier and continue on foot to fit in some exercise?

Public transport is great for the environment too! Fewer cars on the roads means less pollution and fewer CO₂ emissions, improving local air quality and also reducing our school's contribution to climate change.

It takes around 20 minutes (2,000 steps) to walk a mile.

We hope that you and your child will enjoy as well as benefit from these activities – staff are very skilled at reassuring pupils and not making the SATS a worrying time. Once these tests are over, we have several nice events for everyone to look forward to as they come to the end of their time at West Acton.

Thank you in advance for your support.

Yours faithfully,

Girls Cricket Competition

Our year 5 girls competed well in the cricket competition today. They played North Primary where they chose to field first. The girls were slow to start but once they found their rhythm, they bowled and batted well. Next up was Mount Carmel. The children played much better and were unlucky to lose the game. They showed our school values very well today and represented our school exceptionally well. Well done girls 😊

28th April 2026

Dear Parents/Carers,

Re: Year 6 end of term activities – dates for your diary

I am sure that you cannot believe this time has come around already either – the end of primary school for your child! We will mark this milestone with some special events: their production, party and leavers' assembly.

Year 6 production and end of year party - Thursday 9th July, all Year 6 pupils are invited to stay at school at the end of the day and we will give them food and time to relax with their friends before putting on their end of year production 'The Lion King' at 6.00pm. *Therefore on that day your child will remain onsite after school on Thursday.*

We are delighted to invite you to this live show. As you can appreciate we have limited seating.

- This is limited to 2 guests per Year 6 pupil.
- Each Year 6 pupil will bring home 2 tickets on Wednesday afternoon – **please bring your ticket to the show on Thursday.**
- To help with younger siblings we will provide a crèche service – please email me on admin@west-acton.ealing.sch.uk stating the name, number of and ages of children that you would like looked after.
- There will not be room for pushchairs to go in the hall.
- Gates will open at 5.45pm.
- The show will last around one hour.
- Please bring water.

If you are not attending to watch your child, he/she will need to be **collected at 7.15pm** this day and cannot walk home alone.

Year 6 leavers' assembly – Friday 17th July at 9.15am there will be a special assembly where the leavers' will be presented with their leaving certificate and Year 6 leavers' yearbook. Each class teacher will be recognising achievements in Art, Music and Sport as well as an all round class Hero award. I will also be awarding our Year 6 Citizen of the year. Again, we would very much like you to be part of this and last year we were able to hold it outside and it worked very well.

It is very sad for us to see any cohort or pupil leave West Acton but we hope that these events will be special and memorable for the pupils, and yourselves. We will be very proud to see Year 6 go on to the next stage of their journey and look forward to seeing you next week.

Yours faithfully,
