

25th June 2026

Dear Year 6 Parents & Carers,

West Acton Primary School Year 6's Living Art Gallery - Wednesday 1st July 2026

What is the event?

We are excited to announce Year 6's **Living Art Gallery** event which will be held on the school's basketball court on **Wednesday 1st July** where your child will have the opportunity to exhibit their finished art project, inspired by the artist Samson Kambalu. Each framed artwork will be **available for you to buy for £2.00** (to cover the cost of the frame).

Year 6 have worked hard to research Samson Kambalu and his art. Year 6 students have created a single point perspective landscape using sketching and watercolours.

How can I see and buy the art?

Please come to the basketball court at the usual time of 3:15pm to collect your child and take time to enjoy looking at all of Year 6's beautiful artwork - then you can make a **cash payment of £2.00 at the gallery table**. Teachers and staff will be on hand to help if you need anything. We ask you to bring the exact money if at all possible.

What can I do if I won't be at pick-up to buy my child's art?

If your child walks home alone or attends a club/Aktiva on this day please send in an envelope labelled with your child's name enclosing £2.00 in cash and we will be able to send the framed artwork home with your child.

We are delighted to give our pupils this gallery experience and continue to inspire them as artists and designers. Thank you in advance for supporting them and our Living Art Gallery initiative by buying their finished artworks and encouraging their creativity.

Yours faithfully,
Year 6 Team
