Dear Parents/ Carers,

Re: Tapestry Information Session - Online Learning Journals in EYFS

We would like to invite all new parents in **Nursery and Reception** to an information session about 'Tapestry'. Tapestry is a system of online learning journals which the school uses to record your child's learning and development over their time in our EYFS. This information session will aim to explain all about Tapestry, how to use it and answer any questions that you may have. After the session you will be asked to give your consent to use of your child's photos within Tapestry. Then you will be given access to see your child's Tapestry journal and you will be able to see all of the wonderful learning that they have been doing so far this year.

The information session will take place on **Tuesday 30th September** at **9.30am** and **2.45pm** in the **Victoria hall**. Please attend **one session only** at the time that is most convenient to you.

If your child attended our Nursery last year and you are already using Tapestry you do not need to attend this session again but you will be asked for your updated consent to continue to use Tapestry this academic year.

Yours faithfully,

Miss L Birch
Year 2 Year Group Leader
Tapestry Lead Teacher
