Making Realistic Choices

- Read the **admissions criteria** for the schools you are applying to.
- For Ealing schools look at the school's page in the high school prospectus which can be viewed online: www.ealing.gov.uk/admissions
- Look at the way in which places are offered (the admissions criteria) and how places were offered for 2025.
- Based on this ask yourself: am I likely to gain a place at the school?
- If you are a lower criteria or live further away from the school than the last child to be offered in 2025 it is unlikely that you will gain a place at the school.
- Always apply to at least 1 school that you are likely to gain a place at based on your criteria and distance to the school.
