

WEST ACTON PRIMARY SCHOOL

NEWSLETTER

Friday 6th February 2026

Thank you for all your support this week during our **Maths Lessons Week and Number Day**. It has been wonderful to see so many parents coming into school and taking part in what really felt like a giant maths lesson. I'm sure maths teaching has changed a little since your own school days and I hope you were able to see just how hard both the teachers and the pupils work every day. Thank you for joining us and for being part of such a positive learning experience.

Although it has been a very wet week, we have still managed to run trips and a range of activities, including sports competitions. Thank you to the parents who have already started making payments towards our trip programme. These contributions are vital in helping us to keep our curriculum rich, broad and full of opportunity. Thank you as well to everyone who has attended the workshops this week.

Next week, we will be opening the booking system for **parents' evenings**, which will take place on **Tuesday 24th and Thursday 26th February**. We will also be sending out a form to parents of pupils in **Years 4, 5 and 6** regarding consent for fasting during **Ramadan**. Further details will be shared next week.

We are also very excited to be involved in **Ealing's Public Realm Project**. All parents and families are warmly invited to attend a meeting on **Tuesday 10th February**, between **4.00pm and 7.00pm**, to share your views on transport and road safety in the local area. We recognise that this is a passionate and, for many, emotive subject. This meeting provides a valuable opportunity to share your opinions and experiences directly with representatives from the local authority and the council — people who are in a position to make real changes to our road. We would strongly encourage families to take this opportunity to be involved and have their voices heard.

A reminder that this meeting will take place **between 4.00pm and 7.00pm on Tuesday 10th February**.

Finally, during the half-term break, there will be **major works on the school path**, which may also affect the surrounding area, so please do be aware of this. AKTIVA will still have a holiday camp here though.

I can't quite believe that we are already approaching half term — let's hope brighter and lighter days are just around the corner.

Have a great weekend, Miss Kondo

Year 4 Visit to Neasden Hindu Temple

On Monday, Year 4 children enjoyed a fascinating visit to Neasden Hindu Temple. The children were amazed by the intricate carvings and beautiful architecture as they learned about the history and craftsmanship behind the building. During their tour, they had the unique opportunity to observe a Hindu prayer ceremony, helping them gain a deeper understanding of the culture and traditions. It was a memorable and enriching experience for all!

This week, on Tuesday and Wednesday, the Reception children enjoyed their very first school trip. They visited 'The West London Islamic Centre', travelling by TfL public transport, including the London Underground and a classic red London bus.

On arrival, the children were given a guided tour of the centre. They explored the washroom, where people wash their hands, face and feet before entering the prayer area, and visited the prayer room itself. The children also learned about how the prayer room is used.

Throughout the morning, the children behaved exceptionally well, carefully following instructions and showing curiosity and respect. They were excellent ambassadors for West Acton Primary School, and we are very proud of them.

Oscar said, "I liked going on the big red bus and seeing the prayer room."

Bug Club

An ENORMOUS well done to our top Bug Club readers for Spring Term 1, week 3. Each week, pupils are asked to read and answer comprehensions quizzes online on 'Bug Club.' This is part of our pupils' weekly reading homework from Years 1 to 6: to read for 20 minutes once a week from 'My Stuff' in their Bug Club account and answer 'bug' quizzes to support their fluency and comprehension in reading. If you need help logging on at home, please use our quick 'how to' video on our school website. Here is the link under 'Curriculum,' 'Subjects,' then 'Reading':

Making Noel Road a safer, healthier, greener place for children and young people.

Please read this newsletter to find out more about what we are doing and how you can have your say.

We are setting up a project to make the area outside **West Acton Primary School** more pleasant for everyone, and we would like your help.

We want to help children feel safer on their school journey, increase walking, cycling and other forms of active travel, and improve air quality at peak times, without restricting access for motorists.

To do this we need to understand the problems you face at the start and end of the school day, in the area outside the school gates, and we want you to tell us what happens when you are bringing your children to and from school.

Your feedback will help us decide what changes could make a difference and improve the area.

You can share your views and ideas at:

- **Drop-in event** – join us at the school to find out more about the project, look at maps and plans, and tell us about the local area. Please come along any time between **2.45pm and 7.00pm** on **10th February 2026**. You can drop-in before you collect the children from school.

- **Online survey** – let us know what you feel about the local area and any changes you think will help to improve the area, by completing the survey at <https://bit.ly/street-improvements-WAPS> by midnight on 22nd February 2026.
- If you would like a paper copy of the survey, please email us at begreen@ealing.gov.uk. Or request one by writing to us at: School Travel Team, Ealing Council, Perceval House, 14-16 Uxbridge Road, W5 2HL.

Next steps

When the survey closes we will look at the feedback to find out what everyone thinks. Consultants will review the information and create the design proposals.

In the survey and at the drop-in event we'll invite you to join a working group to discuss the feedback and designs before we finalise the details.

We will write to you again when the final designs have been approved and we are ready to complete the project. We hope to start work on the improvements during the school's summer break.

If you have any questions about the project, please email our dedicated mailbox at begreen@ealing.gov.uk

From,

Ealing Council's Transport Planning Team

Our School Vision

West Acton Primary School, a welcoming community, growing and learning together

At West Acton Primary School, we are a dynamic and inclusive community of lifelong learners. We nurture every child to reach their full potential through an engaging, forward-thinking curriculum and a culture that builds courage, consideration and collaboration. As an aspirational community, our staff, pupils and families grow together—developing digital and emotional intelligence, a strong sense of wellbeing and environmental awareness—ready to make a positive impact on their communities and the wider world.

Please can I remind you to wait until your child is off of the school site before you start giving them food and snacks. As you know we are a healthy school with a sugar smart status.

Please do NOT give your child snacks on site at 3.15pm - especially bags of crisps, cakes, ice lollies and ice cream.

Thank you for your continued help making our school neat and clean.

We are a SUGAR SMART SCHOOL

Only give water for your child's drink
KS2 - bring a healthy snack- fruit or raisins for break time

Do not give your child food to eat when collecting at home time - please wait till you have left the school
Healthy lunchboxes - sweet treat once a week
Healthy school dinners - 'puddings' once a week

**SUGAR
SMART**

School starts at 8.45am

**Drop off your child to line up between 8.30am and 8.45am.
Children must be ready to enter the classroom at 8.45am to start learning.**

All days for Years 1 to 6

We have a good supply of second hand uniform. Please speak to us if you have any issues with providing uniform.

PE DAYS - come to school in your house colour T shirt

Tuesday	Year 5
Wednesday	Year 1 and Year 3
Thursday	Reception and Year 4
Friday	Year 2 and Year 6

We were very lucky to have T-shirts donated for all our children in July. If your child has out grown their T-shirts please wash and return them so that we can recycle it and give it to another child. If we have another T-shirt we can offer your child one – if not please provide your child with a plain white T-shirt (or purchase another house colour T-shirt yourself).

We hope to replenish T-shirts every two years.

TIP FROM SCHOOL THERAPIST - Mrs Ahmad

Connecting with others...

It is at school where children begin to develop their friendship skills. As they start to understand that the way they speak and act with their peers, will affect the choices the other children make, when deciding who they want to play with in the playground the next day. Learning to make friends and get along with peers can cause some distress to most children.

How can parents/carers help?

The first relationship our child/children experience is the one with their families at home. Hold this in mind when families members are interacting with each other, the children are watching and listening always!

They are going to want to understand how friendship works - it is super important that we listen to our children's experiences when they come to us wanting to talk about falling out with a friend and other peer challenges.

It can be tempting to tell them what to do and to try and want to fix the problem. Instead, try to help *them* to problem-solve. You can do this by helping them to clarify and understand their own feelings. It is always best to stay away from taking sides with either child and more helpful to follow with empathy for all of your child's feelings. Once they feel more understood, they will be more able to think about how their peer might be feeling.

Coach your child to stand up for themselves using their words and help them to learn to express their needs, rather than show anger to their friend.

Have a go at some role play -practice with your child, what they would like to communicate to their peer. This will help build their confidence in talking to their friend about what has upset them.

For the Attention of West Acton Primary School

Project: LEAMINGTON PARK PROJECT

28th January 2026

Dear Resident,

I'm writing to inform you that we will soon be carrying out works in your area as part of the above named project.

The project will build resilience to the area's power supply through the installation of new underground high voltage cable, with the overall aim of keeping the infrastructure secure for decades to come and improving capacity for future demand.

How This Affects You

Notice of Upcoming Utility Works – Noel Road & West Acton Primary School Entrance

Work is scheduled to begin on **11th February 2026** and are expected to take approximately **1 week** to complete. Should there be any changes to this schedule, we will keep you informed.

Most of the works have been planned to be carried out during half term. However, the dates from the 11th to the 13th (Weds to Friday) will be carried out within term time. The below traffic management plan shall be implemented and therefore, likely to encounter a greater amount of congestion.

The lights shall be operated manually during school drop off and pick up times to allow the traffic to flow as smoothly as possible.

We apologise for any inconvenience this may cause and thank you for your patience and cooperation.

Please be assured that we are committed to completing the work as efficiently as possible, while keeping disruption to residents, businesses, and road users to a minimum.

There are no planned interruptions to your electricity supply and this installation will not affect the existing supplies within the area.

Yours faithfully,
