

WEST ACTON PRIMARY SCHOOL

NEWSLETTER

Friday 19th June 2026

What an amazing week of sport we have had at West Acton!

It has been wonderful to see such fantastic participation across all of our Sports Days. Pupils demonstrated not only excellent sportsmanship but also our school values of Courage, Consideration and Collaboration. These values were evident not just in our pupils, but also in our staff and parents, who supported the events so positively throughout the week. Thank you to everyone for taking part, encouraging one another and helping to make the events such a success.

The weather was largely kind to us. Although Year 3/4 Sports Day had to be postponed, we were able to complete it later the next day, meaning that every year group was able to enjoy their special day. Most importantly, so many happy memories were made.

A huge well done to Olive Class, who led our first Reception assembly this morning. The assembly was based on *Mr Gumpy's Outing* and was thoroughly enjoyed by everyone who attended. The real highlight, however, was the singing. The children performed without a backing track, using only their own voices, which was incredibly impressive and a testament to their confidence and hard work.

We are looking forward to Fir Class Assembly on Friday 26th June and Banyan Class Assembly on Friday 3rd July.

Talking of 3rd July, this will also be the day of our Summer Fair. Information was sent home this week and we hope you are as excited as we are. Next week, we will be sending home raffle tickets along with details about obtaining wristbands for entry. In the meantime, please take a moment to re-read the Summer Fair letter and see how you can get involved.

Thank you, as always, for your continued support, and we wish all of our families a wonderful weekend. Miss Kondo

Our School Vision

West Acton Primary School, a welcoming community, growing and learning together

At West Acton Primary School, we are a dynamic and inclusive community of lifelong learners. We nurture every child to reach their full potential through an engaging, forward-thinking curriculum and a culture that builds courage, consideration and collaboration. As an aspirational community, our staff, pupils and families grow together—developing digital and emotional intelligence, a strong sense of wellbeing and environmental awareness—ready to make a positive impact on their communities and the wider world.

Please can I remind you to wait until your child is off of the school site before you start giving them food and snacks. As you know we are a healthy school with a sugar smart status.

Please do NOT give your child snacks on site at 3.15pm - especially bags of crisps, cakes, ice lollies and ice cream.

Thank you for your continued help making our school neat and clean.

We are a SUGAR SMART SCHOOL

Only give water for your child's drink
KS2 - bring a healthy snack- fruit or raisins for break time

Do not give your child food to eat when collecting at home time - please wait till you have left the school

Healthy lunchboxes - sweet treat once a week

Healthy school dinners - 'puddings' once a week

**SUGAR

We were very lucky to have T- shirts donated for all our children in July. If your child has out grown their T-shirts please wash and return them so that we can recycle it and give it to another child. If we have another T-shirt we can offer your child one – if not please provide your child with a plain white T-shirt (or purchase another house colour T-shirt yourself).

We hope to replenish T-shirts every two years.

TIP from School Therapist Mrs Ahmad

Finding ways to get your attention.....

From birth, children need experiences and relationships that show them that they are valued, capable human beings, who bring pleasure to others. Positive attention, reactions and responses, from key grown-ups, helps children to build a picture of how valued they are.

They need the attention of their parents and caregivers and they will work hard to get it from us, whether it be positive attention or negative attention.

Children often misbehave or do something that they know, they shouldn't be doing, as a way of communicating to us that they want *our* attention. It is their way of saying 'Notice me.'

How can Parents/Carers help?

Showing positive attention through the way that we interact with our child will help them to build a positive self-image and a feeling of security and safety.

Small things make a big difference - Show delight in your child and warmth in your relationship through smiling at your child, making eye contact and using caring facial expressions, showing physical affection – for example, hugging your child will all help them to feel our love.

Use words to celebrate and encourage your child, be specific in the words you use, 'great remembering, you were really concentrating.' Show interest in your child's interests, activities and achievements, no matter how small they feel, it will mean a lot to your child.

When it comes to negative attention, there will always be times when you need to take action, for example unsafe behaviours. If the behaviours are safe, but just unwanted, you can try to ignore and just praise them as soon as they stop and are back on task. When you spot these attempts to get attention, for example, upsetting their brother or sister so that you have to stop what you are doing and help - give yourself a minute to feel calm before asking yourself; what does my child need from me right now? and what are they trying to communicate to me through their behaviour?

APNA Youth Football Tournament

Last Friday, our boys represented West Acton Primary School with great courage, collaboration and consideration throughout the APNA Youth Football Tournament. Both West Acton teams performed exceptionally well, progressing to the quarter-finals after a series of impressive matches.

What made this achievement even more impressive was that our teams were made up entirely of Year 4 and Year 5 pupils, while many other schools included Year 6 players in their squads. Despite competing against older children, our boys showed remarkable resilience, skill and maturity throughout the tournament.

The teams demonstrated excellent sportsmanship and teamwork, supporting one another both on and off the pitch. Their positive attitude and commitment were recognised with awards for teamwork as well as individual achievement. We are incredibly proud of all the players for the way they represented the school and congratulate them on their fantastic success.

School Council First Aid Training

On Monday, our School Councillors took part in a first aid training session, giving them another valuable life skill that they can use to support their friends, families and wider community. The trainer was extremely impressed with both the pupils' excellent behaviour and the thoughtful questions they asked throughout the day.

During the session, the children learnt a range of important first aid skills, including how to apply plasters and bandages, perform CPR, open an unconscious person's airway, and place someone in the recovery position. They also learnt about water safety and what to do if they ever find themselves in difficulty in the water.

Here is what some of our School Councillors had to say about their learning:

"When we, the School Council, did first aid, we learnt how to help people who are conscious and how to do CPR. I learnt how to put on a plaster. We also learnt about water safety by turning into a star shape and keeping our heads up. When you are okay, you put your arm up and wave for help."

"The School Council had first aid training and it helped us to know what to do in a dangerous situation. It taught us that we should know what to do, or call an adult for help. We learnt how to put on plasters and bandages, do CPR using the palm of our hand and open people's airways by moving their chin."

"We learnt that if someone is unconscious, you can put them into the recovery position so that they stay safe while waiting for help."

We are incredibly proud of our School Councillors for embracing this opportunity so enthusiastically. These important skills could one day help them make a real difference to someone's life.

Our School

Our school encourages families to think about more sustainable ways of travelling to school. This will help reduce parking issues and make the area outside our school a safer place to be. You will be benefitting your own health while setting a great example for your child.

This map will help you plan your route whether you decide to walk, cycle, scooter or take public transport, all or part of the way.

Please support us to reduce congestion, improve local air quality and the health and well-being of the whole school community.

TfL Travel for Life is a free education programme supporting the next generation of Londoners to travel towards a brighter, safer and more sustainable future. Be part of the solution.

Why Walk to School?

Walking is simple, free, and great exercise! It also gives you the opportunity to chat to your child about their day.

83% of Ealing families live within a mile of their school, a distance that can be walked, cycled or scooted by most people. If you live further away, and you drive or need your car for an onward journey, why not try parking further away and walking the rest? You may even find it is quicker than finding somewhere to park near the school and fewer cars helps to make the area around the school safer.

Cycling and Scooting

Cycling and scooting to school is easy, safe and fun, especially as it's something you can do together. It can help to improve co-ordination, motor skills and balance, helping children to thrive in PE lessons!

You can join in the fun using an adult scooter. And bicycle child seats and trailers can help you to cycle with smaller children. It's often much quicker too!

Public Transport

Taking the bus instead of the car helps to make it safer around the school gates where parking is restricted, as well as helping your child become more independent.

Why not get off one stop earlier and continue on foot to fit in some exercise?

Public transport is great for the environment too! Fewer cars on the roads means less pollution and fewer CO₂ emissions, improving local air quality and also reducing our school's contribution to climate change.

Active Travel

Walking, cycling and scooting are all excellent forms of active travel. They are easy ways to get your recommended daily 60 minutes of exercise and help you maintain a healthy weight. You also reduce the risk of developing asthma, type 2 diabetes and even mental health disorders.

Children who travel actively to school develop better road safety awareness and later will be more able to travel independently. Physical activity also improves mood as well as academic performance at school.

Why not make active travel part of your daily routine?

Did you know?

You are exposed to less air pollution when travelling actively than when inside a car!

It takes around
20 minutes
(2,000 steps)
to walk a mile.

Re: Years 1-5 Art Afternoon in celebration of Children's Art Week

Dear Parents and Carers,

We are delighted to let you know about an exciting Art Day coming up at school in celebration of Children's Art Week.

Each year group from years 1-5 will have the opportunity to take part in a creative and inspiring session where every child can freely express themselves through art. The focus of the day is on individual creativity, so rather than imitating a specific artist, your child will be encouraged to create a unique piece of artwork entirely their own. The theme this year is 'animals' to celebrate David Attenborough's 100th birthday.

Children will be able to choose from a wide range of materials to work with and they are also welcome to bring in their own items if they would like to make a collage. Suitable items might include petals, leaves, shiny sweet wrappers, bottle lids or other interesting textures.

As creativity can sometimes get a little messy, we ask that on the day of their year group's Art Day, your child wears or brings an old t-shirt or shirt to protect their school uniform.

Please see below for the date of your child's Art Day:

Year 1	Friday 3 rd July
Year 2	Friday 10 th July
Year 3	Tuesday 30 th June
Year 4	Wednesday 15 th July
Year 5	Thursday 9 th July

We are really looking forward to seeing what the children create and celebrating their individual artistic voices.

Thank you for your support,

Dear Parents/Carers,

Re: Summer Fair Friday 3rd July 2026 after school

We are very excited to share that, we are hosting a Summer Fair again! Without a PTA, this year's event is being put together by the school staff, with wonderful support from some local businesses and talented individuals.

We're writing to ask for your help to make this a truly special day for our community. We're looking for volunteers to help with:

- Setting up and packing away stalls and equipment
- Manning stalls during the event
- Offering any skills or talents you have

We're also keen to hear from anyone who may know of anyone who can offer an activity, stall or raffle prize.

We already have some exciting activities lined up, including candy floss, penalty shootout, ice cream, face painting, henna artists, donkey rides, competitions and a raffle! With your help, we know we can make the event even better.

If you're able to volunteer or know someone who might be able to help with music, food, or other skills, please let us know by emailing me on admin@west-acton.ealing.sch.uk. Every little bit of support is hugely appreciated.

We can't wait to come together as a community and make this a Summer Fair to remember. Thank you for your continued support.

Yours faithfully,

Miss Kondo

Dear Parents/Carers,

Re: Year 6 PGL Residential Trip – Expression of Interest (16th–18th September 2026)

We are delighted to offer our current Year 5 children the opportunity to attend a residential trip to a PGL centre in September 2026 as they begin Year 6. The trip will take place at Marchant Hill PGL Centre from Wednesday 16th September to Friday 18th September 2026 (3 days, 2 nights).

To help make the trip more affordable for families, we have moved the residential to September. This change has allowed us to reduce the cost per child by £100, while still providing the same high-quality experience. The total cost will be £279.00, which includes all activities, food and accommodation. The school will fund the cost of the coach to and from the venue.

Miss Ferreira will lead the team accompanying the children, and a full meeting with further details will be arranged once the trip is confirmed – before the holidays so that you can prepare. We have had very successful visits to this centre over the past 6 years.

To ensure the trip can go ahead, we urgently need to confirm numbers. Please complete and return the expression of interest slip as soon as possible. We require a minimum number of children to proceed with the booking.

Once the trip is confirmed, a non-refundable deposit contribution of £50.00 will be required to secure your child's place. The remaining balance can then be paid in flexible instalments across the year, making the cost more manageable for families. Children who do not attend the residential will be expected to attend school, where alternative activities will be provided at a lower cost. If you have any questions or concerns that may help you in making your decision, please do not hesitate to speak to the Year 5 or 6 team or contact the school office.

Yours faithfully,
