

WEST ACTON PRIMARY SCHOOL

NEWSLETTER

Friday 27th February 2026

As we come to the end of another busy and exciting week at West Acton, I wanted to share a few highlights with you.

On Thursday, we welcomed visitors who spent time in school looking at our provision through the lens of what Ofsted would consider. They made many positive comments about our school, particularly around pupils' behaviour, the calm and purposeful learning environment and the strong sense of community. We are very proud of this and I look forward to sharing more news with you about their feedback in due course.

On Monday, we enjoyed a lovely Ramadan assembly, where pupils reflected on the importance of kindness, self-control and sharing during this special time for many of our families. These messages are valuable for all of us and were a wonderful reminder of the values we hold as a school community.

Thank you to everyone who came to parents' evening – this will really make a difference to your child's success.

Looking ahead, I am very much looking forward to Book Week next week and seeing the fantastic costumes and celebrations of reading across the school. Thank you, as always, for your continued support. I hope you all have a wonderful and restful weekend. Miss Kondo

Number Day 2026

On Friday 6th February, West Acton took part in NSPCC Number day. We had a fantastic time dressing up in our numbered outfits. Parents from Years 2-6 visited our big maths lessons and participated in problem solving, arithmetic and fluency questions with their children. The children enjoyed sharing their learning with their parents.

Children in Years 3-6 participated in the NSPCC Rocks Challenge. Well done to Pine class who achieved the highest average score in our school!

We raised £100 for the NSPCC. Thank you for your donations!

Dear Parents/Carers,

Re: Umbrellas do not bring into school

With the recent wet weather, we have noticed an increase in pupils bringing umbrellas into school.

As is the case in many primary schools, we kindly ask that pupils who are escorted to and from school by parents or carers do not bring umbrellas onto the school site.

Umbrellas can present a safety risk due to their metal frames and pointed tips. In addition, umbrellas are not used during break times, as pupils remain indoors when the weather is particularly wet. Wet umbrellas can also create slippery floors and a lot of dripping water inside the building. Unfortunately, umbrellas are often misplaced, broken, or used inappropriately as toys.

To keep everyone safe, we encourage pupils to wear waterproof coats during wet weather. Parents and carers are welcome to carry umbrellas home after morning drop-off and bring them back again for afternoon collection if needed.

The only exception to this request is for Year 5 and Year 6 pupils who walk home independently, who may bring an umbrella if required.

Thank you for your continued support and understanding.

Yours faithfully,

Miss Kondo
Headteacher

Bug Club

An ENORMOUS well done to our top Bug Club readers for Spring Term 2, week 1. Each week, pupils are asked to read and answer comprehensions quizzes online on 'Bug Club.' This is part of our pupils' weekly reading homework from Years 1 to 6: to read for 20 minutes once a week from 'My Stuff' in their Bug Club account and answer 'bug' quizzes to support their fluency and comprehension in reading. If you need help logging on at home, please use our quick 'how to' video on our school website. Here is the link under 'Curriculum,' 'Subjects,' then 'Reading':

A super WELL DONE to our pupils listed below, who have read the most books in their classes this week or/and achieved the highest score in getting their quizzes correct! We are aiming for 75% or more correct quizzes to show understanding of what has been read. Pupils have all received certificates and have been celebrated in class!

TIP from School Therapist Mrs Ahmad

Supporting your child in social situations.....

Many children can be described as “shy”. Often, what this can mean is that they are very sensitive to their environment and can easily feel overwhelmed; perhaps they are introverted, meaning that they need quiet time away from people before they can try and socialise again; or maybe they get so absorbed in their play and ideas that they aren’t so interested in interacting with others.

How can parents/carers help?

It can be really difficult to encourage your child to put themselves in social situations if we are ourselves find them uncomfortable. It will be important to be conscious of our own experiences and feelings around being with others, before speaking with our child/children. Know that it is possible for our child to have different experiences to us, with our help.

Try, to avoid labelling your child as “shy”, as they may think there is something wrong with them. Instead, be sure to stay sensitive to their needs and empathise with what they are finding difficult. You can point out that he/she is able to overcome their fears: take the time to coach your child on how to make friends and how to express their needs to others. Let them know that it is normal for everyone to feel a little uncomfortable when they first meet someone or walk into a room full of other children. It would be helpful to think together about ways in which they can overcome their worries in these situations.

Remember to *empower* your child and avoid being too over-protective. Instead, after listening and hearing their feelings, let your child/children know that they are capable of doing new hard things.

5 January 2026

Dear Parent/Carer,

As the strategic director of Ealing's children's services, I am writing to share important information about the revised Ofsted inspection framework, which came into effect in November 2025.

Ofsted will no longer give schools one overall grade such as "outstanding", "good", "requirements improvement" or "inadequate". Instead, schools will receive a new report card with a 5-point grading scale across several areas. The new gradings are:

- Exceptional
- Strong Standard
- Expected Standard
- Needs Attention
- Urgent Improvement

Ofsted have been very clear to point out that you cannot compare the old judgements with the new grades. For example, the old judgement of 'requires improvement' does not mean the same as the new grade of 'needs attention' and the old judgement of 'outstanding' is not the same as the new grade of 'exceptional'.

Ofsted have stated that 'needs attention' should be seen by a school as advisory, suggesting that work needs to be done to reach the expected standard in that area. It is not a fail, but it highlights where issues can be addressed before they become bigger problems where they may need urgent improvement.

Ofsted continue to have high expectations and the bar has risen again. When evaluating schools, using the new Ofsted Toolkit, Ofsted are expecting most schools to be graded at the 'expected standard' which, in itself, means that the school is providing an effective education for its pupils and doing everything it should be doing in that area.

Some schools may have areas graded at the 'strong standard'. Ofsted expect that very few schools across the country will be graded as 'exceptional' in an area. Therefore, a school that was previously judged as 'Good' may now be graded as 'expected standard' under the new framework.

This does not mean that the school's quality has declined. In many cases, the school may have improved its provision for pupils, but the criteria and expectations used by Ofsted are now more demanding than under the previous inspection framework. As a result, the school's judgement reflects these higher expectations, rather than a reduction in performance.

More information for parent/carers about the Ofsted framework can be found here: [Understanding Ofsted report cards and grades - GOV.UK](#)

We are very proud of the outcomes that our schools achieve for the children and young people they serve and we are confident that our schools will be well prepared for their next inspection under the new framework.

Schools will generally be inspected within four to five years of their last inspection.

Thank you for your continued support in helping us provide the very best education for your children.

Yours sincerely,

Robert South
