Our Whole School Target for Attendance is at least 96%.

We really appreciate your support with getting your children into school and on time each day.

Let's work together to consistently get above 96%.

Well done to our three classes who were above our whole school target this week!

Dodgeball Competition

St George's class took part in a Dodgeball festival at Hallcross Secondary School.

In the dodgeball matches, the children worked as a team to play in 3 little 2-minute matches. When the children were not playing, they showed impressive teamwork and respect towards each other by cheering each other on and supporting each other when they were eliminated. Some children were offering tips to each other to help everyone to improve and become more competitive. Well done to all children involved.
