### St Thomas' Homework Policy 2024

We don't want homework to be stressful for you or your child so we have tried to keep it to a minimum so you can enjoy spending time with your child talking, playing and enjoying time as a family as this is invaluable in the development of your child.

## Why give homework?

- It enables children to build on their prior learning and rehearse key skills at home whilst using some of our school values *Resilience* and *Challenge*.
- It can further stimulate or encourage enthusiasm for learning and help develop a love of reading.
- Enables school and home to work in partnership.

## Homework Expectations

Class	Homework	Amount
<b>Nursery</b>	<b>Sharing stories</b>	<b>5-10 minutes a day</b>

	<b>Times tables (TTRockstars)</b>	<b>10 minutes a day</b>
	<b>1 Minute White Rose Maths (app or desktop)</b>	<b>3 times a week</b>

### **1 Minute White Rose Maths**

It is available as an app or on a desktop. If you want to access it from a desktop you will need to get '3 words' from your class teacher to access it - please ask the teacher for these via dojo.
