Hello everyone,

It has been another busy week at school, with lots of great learning both inside and outside the classroom.

We are incredibly proud of our NW24 Science Competition winners who enjoyed a fantastic visit to Bristol University. This was a brilliant opportunity for them to experience science in a real-world setting and further inspire their curiosity and enthusiasm.

We were also delighted to welcome Jack, our PCSO, who visited Year R to talk about his role in the community. The children thoroughly enjoyed learning about his job and were very excited to have the chance to explore the police van.

Year 1 had a lovely trip to Redcatch Gardens, where they were able to explore the outdoor environment and support their learning through hands-on experiences.

Year 4 visited the M Shed Museum as part of their topic on chocolate. They learned about Bristol's role in the chocolate trade, bringing their history learning to life in a meaningful way.

Year 5 held their second cake sale and did a fantastic job raising funds for their upcoming trip to the Concorde Museum. Thank you to everyone who supported this event.

Year 2 were visited by a special guest, Steve Lamprey, our former Chair of Governors, who spoke to the children about the history of Knowle Park. This greatly enriched their current history topic.

Year 6 have been working extremely hard on their mock SATs, demonstrating great determination and resilience. We are very proud of their efforts and the positive attitude they have shown.

Finally a HUGE thank you to all who came to the open PTA meeting last night. We were thrilled with how many of you came out to support the school. Extra special thanks goes to Clairetaker for her now 'viral' promotional video!

Have a great weekend.  
Mrs Bailey
