Hello everyone,

This week has been full of exciting learning experiences across the school. Year 6 thoroughly enjoyed a visit from the Explorer Dome, which brought science and space to life in an engaging and memorable way. Year 5 impressed us all with their wonderful class assemblies; it was lovely to welcome parents into school to share in the pupils' hard work. Year 2 have had a particularly busy week, practicing enthusiastically for the upcoming dance festival and showing great teamwork and creativity. They also enjoyed a visit to Redcatch Gardens, where pupils had the opportunity to explore and learn outside the classroom. It has been a fantastic week, and we are proud of all the children for their enthusiasm and achievements. We look forward to seeing what next week brings.

Have a great weekend.
