Twitter @KPPSPprimary Newsletter - 19th June 2026 Website address: www.knowlepark-pri.bristol.sch.uk Email: Knowle.park.p@bristol-schools.uk 

Hello everyone,

It's been another busy week! Year 3 enjoyed a fantastic Geography trip to Weston-super-Mare, where they explored coastal features and learned more about the seaside environment.

Thank you to all the families who joined our Reception assemblies. The children confidently shared their learning on the theme of *Growing* and made us very proud. Year 6 have started their swimming lessons, developing both confidence and important water safety skills. Year 2 had a visit to Redcatch Community Garden, enjoying hands-on learning about plants and nature. We were pleased to welcome a visitor from the Hindu Temple, who worked with Years 1 and 6, helping pupils deepen their understanding of Hindu beliefs and traditions.

Finally, a huge thank you to our PTA for organising the Father's Day Pop-Up Shop. The children loved choosing gifts and we are very grateful for the time and effort our volunteers give to support our school community.

Have a great weekend - enjoy the lovely weather.

Have a lovely weekend!

Mrs Bailey

Term 6 Eco Squad

Due to current circumstances, sadly we will not be exhibiting a wheelbarrow at the RHS Badminton show.

AMAZINGLY, Redcatch Gardens are helping us plant one up that we can keep outside of school. Mrs Holmes has expertly designed using the children's competition ideas. Redcatch Gardens are helping Eco Squad put it all together on Monday. They will take photos and feature us on their pitch at the RHS show. Brilliant news! We will be exhibiting all year round, outside of the main entrance of school. It will be a forever changing, beautiful, seasonal masterpiece!

Eco Squad will also be at the Big Picnic on **Saturday 27th June from 11**. We are selling plants. If you have any spare, it is not too late! Please bring to reception by **Friday 26th June**.

The bug hotel competition has been extended to **Monday 6th July**. Please think of natural resources to use. We will be keeping them in our vibrant Peace Garden. The pollinators are already enjoying the summer blooms that Eco Squad have planted. This will make a great addition!

We now have 6312!
