Hello everyone,

What an unusual week it has been! Thank you all for your understanding and support following the difficult decision to close the school due to the extreme heat. While we know this caused disruption for many families, the safety and wellbeing of our children and staff had to remain our priority. We hope everyone has managed to stay cool and is coping well.

Despite the shortened week, we still managed to fit in some fantastic learning experiences. Our Year 6 children enjoyed their swimming sessions at Jubilee, while Year 5 had a wonderful time taking part in their steel pan drumming workshop. It has been lovely to see the enthusiasm and resilience shown by all the children.

As we head into the weekend, we hope you have the opportunity to enjoy the sunshine safely. Please remember to stay hydrated, seek shade during the hottest parts of the day, and wear sun cream if you are spending time outdoors.

Thank you again for your continued support.

We wish you all a happy, restful and safe weekend

Mrs Bailey

Term 6 Eco Squad

Our wheelbarrow looks fantastic! Big thanks to Redcatch Community Garden's that helped Eco Squad put it all together this week. We used the children's ideas and Mrs Holmes designed it. We will be adding kites to our display very soon. I am looking forward to exhibiting all year round. It is displayed outside of the main entrance of school. Come and see, It will be a forever changing, beautiful, seasonal masterpiece!

Eco Squad will also be at the Big Picnic on Saturday 27th June from 11. We are selling plants. Come and see us.

The bug hotel competition has been extended to **Monday 6th July**. Please think of natural resources to use. We will be keeping them in our vibrant Peace Garden. The pollinators are already enjoying the summer blooms that Eco Squad have planted. This will make a great addition!

We now have 6312!
