Hello everyone,

It has been another busy week in school.

Year 4 enjoyed their Bikability training and developed important cycling and road safety skills. We have marked Children's Mental Health Week as a whole school. We hope you have enjoyed seeing the daily stickers and talking with your children about their learning. Supporting children's wellbeing is a key priority, and these conversations at home are invaluable. This week also included Safer Internet Day. Children explored how to stay safe online and discussed the role of artificial intelligence in today's world, showing great curiosity and maturity. Year 1 delighted us with their class assemblies all about love — perfectly timed ahead of Valentine's Day! The children spoke and sang with confidence, sharing important messages about kindness, friendship and caring for one another. Acorns Class enjoyed a lovely visit to Redcatch Gardens this week. Outdoor learning experiences such as this are so valuable, and the children thoroughly enjoyed exploring and spending time in nature.

As we approach the end of term, we are very much looking forward to the half-term break. It has been a full and productive term, and I hope it provides everyone with an opportunity to rest and recharge.

Finally, we would like to acknowledge the families in our community who will be celebrating Lunar New Year during half term and those who will be observing the holy month of Ramadan which begins on the evening of Tuesday 17th February.

Thank you for your continued support.

Helen Bailey

Governor News

Knowle Park Primary School Parent Governor Elections

We have a number of vacancies on the Governing Body, 3 Parent Governor vacancies, and fill these by asking for nominations from parents. If there is more nominees than vacancies we will hold an election, which will be conducted by Carol Wilshire, Clerk to the Governors, and Helen Bailey, Headteacher. They will ensure that any ballot is undertaken fairly.

If you are interested in becoming a Parent Governor, you will need one parent to nominate you, and one to second you. I also suggest you look at the school website to see the duties which governors undertake, and see who the current governors are. You will see which governors undertake specific responsibilities like, Chair, Vice Chair, School Improvement and School Management Committee Chairs, Safeguarding, SEND, Health and Safety, Well Being, Early Years, Pupil Premium. This will give you an idea of the duties and responsibilities which governors undertake.

You will probably want to know the time commitment needed. We have 6 Full Governing Body Meetings a year, usually on Wednesday evening at 6.00 p.m. We are currently reviewing the time and frequency of our two main committees (School Improvement and School Management). The times and dates are set at the start of the school year, in September, by governors and they reflect the fact that most governors have paid employment. You will be expected to serve on one of the two main committees and in time take on an area of responsibility. Training is provided by the Local Authority and is very flexible. Some sessions are in person during the school day, others are remote, including lunchtime sessions. There are also other on - line courses, which you can undertake at any time.

At present we face a number of challenges in school, which are also faced by all primary schools across Bristol and England. The first is the problem of government cuts to the funding of all schools. Our income does not keep pace with inflation, nor annual pay rises. Funding for children with Special Educational Needs and Disabilities is also being cut, essentially because the government does not take account of the increase in the numbers of children presenting with these needs when it delivers funds to Local Authorities for these children. It is the Local Authority which has the responsibility to allocate these funds to schools.

You may well have learned about these issues in the national and local media. It is for these reasons that we would ideally like to recruit someone who has some financial and /or Human Resources knowledge and skills to bring to the governing body. However, we have always found that our parent governors bring many qualities to our leadership, so please do not be put off if you don't happen to have financial qualifications.

In spite of these pressures we have not only maintained our teaching and learning standards but improved the delivery of our curriculum. We believe we offer a range of educational experiences which are a credit to our staff and their leaders. The fact that we are fully subscribed for September's intake shows that we have much to offer. So, if you want a challenge, and be part of a school which is thriving and wants to move forward, then come and join us.

If you want to find out more than speak to an existing Parent Governor, or let the School Office staff know you would like to speak to me and leave your contact details with them. I will get back to you.

Well Done, Olivia, Nara !

Olivia was very proud to be awarded Player of the Match and receive a trophy for her efforts. Well Done!

Nara passed stage 5 at swimming and is moving up to stage 6. She's worked really hard and we are very proud of her. Well Done!

If your child has an outstanding achievement you would like us to celebrate, please email the office at: Knowle.park.p@bristol-schools.uk with details and a photo.

Eco News

Term 3 Eco Squad

Thank you to all the parents, carers and family members that helped Eco Squad plant bulbs on Monday. Amazing turnout and we are so grateful! We are looking forward to watching them bloom. We now just need the sun to shine!

We now have 5363!

Many thanks Miss Hucker, Mrs Burdeu and Mrs Govier

Reading Champion

Our Reading Champions need your help! Do you have any children's books at home that you no longer read? Are they in good condition? If you have said yes to both these questions, please send your child in with the books so that they can be enjoyed in school. Watch this space for our Reading Champion's book recommendations next term.

PTA UPDATES- Friday 13th February

Mother's Day Sale

This is a lovely (in-school) event where children come with their class to select a present for their mum or special female in their lives. Their chosen present is then sealed in a bag with a sweet treat. The cost of a present is **£2.50**.

Mother's Day Sale Volunteers

The Mother's Day sale will take place on **Friday 13th March** during the school morning. Can you help? We need volunteers to help set out gifts and help children choose a present for their special person. Volunteers are needed between 8.30 and 12 but if you can only come for 1hr then that is still really helpful. A Knowle Park DBS is really helpful for this event but it is possible to volunteer without one. **Contact knowleparkpta@gmail.com to volunteer.**

Curry and Quiz Night

We are looking for a team of volunteers to take on the running of this year's ever-popular curry and quiz night. The date is tbc and would be determined by school and organisers availability. There is an event plan for this night and the PTA committee would support and advise. This event usually makes the school close to £1000 so it a very important fundraiser as well as being lots of fun. **Please contact knowleparkpta@gmail.com if you feel you or a group of friends could take on this event.**
