Hello everyone,

It has been a busy and exciting week here at school, with so many opportunities for our children to learn, celebrate, and represent us in the wider community.

Our Year 3 pupils enjoyed a fantastic day at Cheddar Gorge to consolidate the learning from their history topic. The children explored a number of caves which gave them a first-hand experience at what it was like to live in the Stone Age.

Our Year 4 pupils visited Redcatch on Thursday for a wellbeing session where they thought about the things they wanted to get better at this year.

The year 6 football team had their first game at our school pitch this week. They played really well and we are very proud of them.

It was a pleasure to welcome you to our Black History Showcase on Friday morning. Diversity is one of our 4 strands of our whole-school curriculum and learning about Black History provides our children with an understanding of the various cultures, traditions, and contributions of people which have shaped the world as we know it today.

Thanks once again for your contributions to The Victoria Park food bank. We received a card thanking us for the most amount of food donated from any school and what a difference this will make.

We had Parent teacher meetings this week also and I want to take this opportunity to thank you all for your continued support.

Have a great weekend.

Mrs Bailey
