## OLPH Building Fund

As a voluntary aided school, we have to pay 10% towards any capital building improvements to our school. To help towards these costs we ask for a contribution of £30.00 per family per academic year. In recent years this fundraising has supported the building of our beautiful new library and the replacement of the Foundation Unit floor. Your contribution can be paid as a one-off payment of £30.00 on ParentPay or in smaller instalments. We really hope you can support us by making a contribution from your family to help us maintain the very best learning environment for our children.
