

9th July 2026

Dear Parents and Carers,

Following our recent parent questionnaire, I would like to thank everyone who took the time to share their feedback. We were pleased to see that communication was highlighted as a strength of the school. At the same time, some parents identified opportunities for us to make communication even more streamlined and accessible.

As part of this commitment, we are pleased to introduce our new school app. While our website will continue to be regularly updated with key information, news and events, the app will gradually become our main method of communication. Over time, messages, letters and updates will be shared through the app rather than direct emails from the administration team.

The app will also offer additional features that are not available on the website. As it develops, it will include more photographs of school life and a dedicated gallery section. This content will only be accessible to parents and carers connected to our school.

To download the app:

- Search **School Jotter 3** in the App Store or Google Play Store, or scan the QR code below.

School Jotter

Never miss school notifications

Download the School Jotter Mobile App today and you'll get:

- News and message notifications
- School calendar access
- Other links to useful resources

GET IT ON Google Play

Download on the App Store

- Allow notifications.
- Select **Enter as a Guest**.
- Search for **Yorkley School**.

Thank you again for your valuable feedback and continued support as we work to further strengthen communication between home and school.

Yours sincerely,
Mrs K Burke
Executive Head Teacher

Thera-Build® School's Award 2023-24
