1st December 2025

Future Me Day

Dear Parents/Carers,

Following the success of our Future Me Day in 2024, The Forest of Dean Community Schools Federation is excited to announce our second careers event! This inspiring day gives children the opportunity to mix across the federation and explore careers that align with their interests and skills.

Our event will take place on **Friday 6th February 2026** at Yorkley School. We would love to hear from any parent or carer who would be willing to talk to our children about their career journey. We would like you to share the subjects that helped, the skills required, and interesting insights into your day-to-day role. Ideally these sessions will be interactive and engaging for the children. Each session will last around 20-30 minutes, but please be aware due to groupings this will be a whole day event.

If you, or someone you know, would like to take part and inspire our pupils, please complete the slip below and return it to the school office by **Monday 15th December**. Once we have received all responses, we will select a range of career types as we only have a limited number of slots.

Thank you in advance for helping us spark curiosity and ambition in our children as they begin to think about their future careers.

Yours sincerely,

Miss Screen
PSHE Lead

Miss Sime
Family Support Worker

Future Me Day

If selected, I will be able to attend the Future Me Day and speak to the children on **Friday 6th February**.

Name Career
