Phonics Screening Information Session

Dear Parents and Carers,

In June, all Year 1 children must sit a statutory national assessment titled 'The Phonics Screening Check.' This national phonics check was introduced in 2012 and is a statutory assessment to ensure that your children are making sufficient progress in phonics and developing their reading skills.

We are therefore holding an information session for parents, carers, grandparents (or anybody else involved in your child's learning) to provide you with further information about the phonics screening check and inform you how you can best support your child in the lead up to the check.

The session will take place on **Tuesday 5th May** at 3:15pm for 15 minutes. Supporting your child's learning at home and embedding the foundations of their learning is so important. Therefore, we strongly advise that you attend the session.

We will be providing a safe space in the classroom with school staff for your children to remain at school for the duration of this short session.

Thank you for your time and all your effort at supporting your child and their learning.

Yours sincerely,

RPalmer-Smith

Mrs Palmer-Smith
Year 1 Teacher

Thera-Build® School's Award 2023-24
