Parent/Carer View Questionnaire

Dear Parents and Carers,

Following our recent swimming questionnaire, we are now repeating this process with a more general survey to gather your views about the wider life of the school.

At Yorkley, we place great importance on working in partnership with our families and valuing your feedback. We have therefore created a short questionnaire for all parents and carers to complete.

Some of the questions included mirror those used by Ofsted in their Parent View survey. These will support our Governing Body in developing a clear and accurate understanding of parent voice across the school this year. Alongside these, we have included a number of school-specific questions to gather more detailed feedback about our provision.

Your responses will help us to:

- Evaluate whether our current provision is meeting the needs of our pupils and families.
- Identify what you feel the school does particularly well.
- Highlight any areas where further development may be needed.

It is important to us that we receive a broad and representative range of views. Even if you are very happy with the school, your feedback is invaluable in helping us build a complete and balanced picture.

Please use the QR code below to complete the questionnaire **by the end of this half term (Friday 22nd May)**.

Thank you in advance, for taking the time to share your views in a thoughtful and constructive way.

Yours sincerely,

KBurke
Mrs K Burke
Executive Headteacher
