

Newsletter Friday 15th May 2026

It has been a lovely week and indeed half term in school and it seems unbelievable that there is only one more week of this half term to go! Below is a snapshot of some of the many things that have been going on, a little reminder about toys, and some dates letting you know what is coming soon!

Super Year Six SATs Week

Well done to our wonderful group of Year Six children for a super SATs week this week! Your hard work, perseverance and wonderful characters full of good fun and a brilliant can-do attitude made it a lovely week with lots of smiles and friendship, as well as lots of hard work (and biscuits!)

Thank you for being brilliant, for being you and importantly for inviting me to "biscuit club" and saving me the last orange

biscuit. 😊

You look perfect in your new hoodies and we couldn't be prouder of you!

Lots of Fun with Trips and Visits this half Term

It has been a busy few weeks for trips and visits out, with lots of fun had on all sorts of adventures: Early Years visited Three Hills Dairy in Torpenhow; KS2 have been on a walk up Lattrigg Fell from Blencathra Field Studies Centre; the whole school have visited David's Farm; everyone has been out and enjoyed multi skills and athletics events, and next Monday KS2 are off to Stocks Wood. We are a very busy bunch!

Toys in School

Please can I ask for your support in not allowing your children to bring in toys to school, unless this has been arranged by or with your child's class teacher for a specific reason.

The children have lots of things to use and play with in school, and bringing in additional ones from home can sometimes cause distractions and problems between children in class. We understand that sometimes children want to bring something to show, but we don't want anything from home to get lost or broken, so we would ask that all toys from home are kept as special things for at home rather than things to bring to school.

Thank you so much for your support and understanding in this. If you have any questions or need some help with this, please just chat to us and we will do our best to help.

Dates for your diaries so far this term - More details and dates will follow
