Safeguarding Statement

At The Beacon Church of England Primary School we strongly recognise the need for vigilant awareness of safeguarding issues. All staff have appropriate training and induction so that they understand their roles and responsibilities and are confident about carrying them out. Staff, pupils, parents and Governors should feel secure that they could raise any issues or concerns about the safety or welfare of children and know that they will be listened to and taken seriously. This will be achieved by maintaining an ethos of safeguarding and promoting the welfare of children and young people and protecting staff. This is supported by clear behaviour, anti-bullying and child protection policies, appropriate induction and training, briefing and discussion of relevant issues and relevant learning in line with current legislation and guidelines. Where there is suspected abuse, the school will consult with the Multi-Agency Safeguarding Hub (MASH). Referrals will be made and cases monitored, as outlined in our Safeguarding Policy.
