

Health and Safety Policy

Section 1: Statement of Intent

The Governing Body of The Beacon C of E Primary & Pre-School will strive to achieve the highest standards of health, safety and welfare consistent with their responsibilities under the *Health and Safety at Work etc. Act 1974* and other statutory and common law duties.

This policy sets out how these duties will be conducted and includes a description of the school's organisation and arrangements for dealing with different areas of risk. Section 2 will establish specific responsibilities at all levels of the school's organisation. Section 3 will outline the specific arrangements put in place to manage these areas of risk and hence to meet the school's obligations under the law.

This policy will be brought to the attention of all members of staff in the Thursday Briefing, annually in September Non-Pupil Days, on appointment, after updates to the policy. It is available in the School Policies section of the Governor Hub.

This policy statement and the accompanying organisation and arrangements will be reviewed at least every 3 years, or on publication of a new policy.

Section 2: Organisation

The Duties of the Governing Body

- To produce and regularly review the Health & Safety Policy for the school. This policy will reflect the requirements of the *Health and Safety at Work etc. Act 1974* by outlining arrangements to ensure, so far as is reasonably practicable, the health, safety and wellbeing of staff, students and others affected by the organisation.
- To monitor both compliance with, as well as the effectiveness of, this policy.
- To provide adequate resources to meet the school's legal responsibilities as well as compliance with this policy.
- To assist the Governing Body in discharging its legal obligations, the school has appointed the Health and Safety Service as its 'competent person' as defined by the Management of Health and Safety at Work Regulations 1999.
- The specific arrangements adopted will be guided by the Health and Safety Service's Health & Safety Arrangement Notes.

The Duties of the Head Teacher / Executive Head Teacher

The Head Teacher has day-to-day responsibility for health and safety management and will take all reasonably practicable steps to secure the health and safety of students, staff and others using the school premises or participating in school sponsored activities.

In particular, the Head Teacher will:

- Ensure that suitable and sufficient risk assessments of work activities are undertaken, that a written record of the significant findings of these assessments is kept and that these assessments are subject to regular review.
- Co-operate with the Governing Body to ensure that this policy and its associated arrangements are implemented and complied with.
- Communicate the policy and other appropriate health and safety information to all relevant people including contractors.
- Report to the Governing Body on health and safety performance and to monitor both compliance with, as well as the effectiveness of, this policy.
- Ensure that the premises, plant and equipment are maintained in a safe and serviceable condition.
- Report to the Governing Body any significant risks or policy requirements which cannot be met within the establishment's budget.
- Identify the training needs of staff and hence ensure that they are competent to carry out their roles and are provided with adequate information, instruction and training.
- Ensure consultation arrangements are in place for staff and their trade union representatives (there are currently none appointed).
- Monitor purchasing and contracting procedures to ensure health and safety is included in specifications and contract conditions.
- Receive reports from enforcement officers and advisory bodies and, where appropriate, take relevant actions to address issues raised.
- Promote a positive health and safety culture by leading by example.

The Beacon

Church of England (V.A.) Primary & Pre-School *Living life in all its fullness (John 10:10)*

Whilst overall *responsibility* for health and safety cannot be delegated the Head Teacher may choose to delegate certain *tasks* to the Health & Safety Coordinator.

The Duties of the Health and Safety Co-ordinator

The Health and Safety Co-ordinator has the delegated task of assisting the Head Teacher discharge their duties in relation to day-to-day health and safety management.

To do this the Health and Safety Co-ordinator will:

- co-ordinate and manage the risk assessment process for the school.
- co-ordinate general workplace monitoring inspections and performance monitoring processes and report findings to the Head Teacher and Governing Body.
- coordinate records of external inspections and maintenance to plant or facilities and ensure that remedial actions identified are either addressed without delay or brought to the attention of the Governing Body if funds are not available.
- assist with the identification of training needs and training delivery across the school to ensure that staff are adequately instructed, and liaise with the CPD Administration lead.
- collate accident and incident information and, when necessary, carry out accident and incident investigations.
- arrange periodic health and safety audits and liaise with the Head Teacher and Governing Body in relation to findings and any associated remedial actions.

The Duties of other staff

The Caretaker will have specific delegated tasks in relation to health & safety management within their departments/subject areas. They must ensure that:

- risk assessments are undertaken alongside and in consultation with H&S Lead for the work areas for which they are responsible and that identified control measures are implemented.
- appropriate safe working procedures are brought to the attention of all staff via appropriate instruction and training and are enforced effectively.
- they take appropriate action on health, safety and welfare issues referred to them, informing the Head Teacher or Governing Body of any problems they are unable to resolve within the resources available to them.
- they carry out regular inspections of their area of responsibility and report / record these inspections to the Head Teacher or Governing Body.
- all accidents (including near misses) occurring within their area of responsibility are promptly reported and investigated.

The Duties of all Members of Staff

Under the *Health and Safety at Work Act etc. 1974*, all employees have general health and safety responsibilities. All employees are obliged to take care of their own health and safety whilst at work along with that of others who may be affected by their actions. This also applies to volunteers who are under the control of the school.

Specifically, all employees have responsibility to:

- take reasonable care for the health and safety of themselves and others in undertaking their work.
- always comply with the school's Health and Safety Policy arrangements.
- report all accidents and incidents in line with the reporting procedure.

The Beacon

Church of England (V.A.) Primary & Pre-School *Living life in all its fullness (John 10:10)*

- not intentionally interfere with or misuse any equipment or fittings provided in the interests of health safety and welfare.
- report all defects in the condition of premises or equipment and any health and safety concerns immediately to their line manager.
- ensure that they only use equipment or machinery that they are competent / have been trained to use.
- make use of all necessary control measures and personal protective equipment provided for safety or health reasons.

Pupils

Pupils, in accordance with their age and aptitude, are expected to:

- to take reasonable care for their own health and safety and follow instructions given by staff.
- to observe standards of behaviour and dress consistent with safety and/or hygiene.
- to observe all the health and safety rules of the school and the instructions of staff given in an emergency.
- not wilfully misuse, neglect or interfere with facilities or equipment provided for their and others' health and safety.

Contractors

All contractors who work on the school premises are required to identify and control any risks arising from their activities and inform the Head Teacher of any risk that may affect the staff, pupils and visitors.

All contractors must be aware of this policy and the associated emergency procedures and always comply with these requirements.

In instances where the contractor creates hazardous conditions and refuses to eliminate them or take measures to make them safe, the Head Teacher will take such actions as are necessary to prevent staff, pupils and visitors being put at risk from injury.

Section 3: Arrangements

Risk Assessment

The underlying process which informs safety management is risk assessment. Assessments of significant reasonably foreseeable risks will be undertaken by managers responsible for the activity/area affected. The significant findings of these decisions will be recorded in writing. This will be achieved principally by amending and adopting the model risk assessments provided by the Health and Safety Service. Specifically, the model risk assessments amended and adopted to identify suitable risk control measures will be as follows:

- RA22 – Whole Primary School
- RA21 - Primary Curriculum Activities
- RA04 – Cleaning, Caretaking and Maintenance Generic
- RA05 - COSHH
- RA09B – First Aid (Education)
- RA11 - Catering
- RA13b – Personal Safety – working away from the Work Base (Education)
- RA24b – Security (Education)
- There is a record of others available in The Admin section of The Beacon Hub.

Risk assessments are available for all staff to view and are held centrally in The Beacon Hub, Admin / H&S (H&S lead governor has access). RAs will also be available to staff in the School Policies section of the Beacon hub. Wherever possible, affected staff will be included in the risk assessment process. Staff and other affected parties will be briefed on risk assessment findings.

Risk assessment records will be reviewed annually. This will be identified on risk assessment record.

For full details relating to risk assessment arrangements, reference should be made to the HS47 Arrangements Note.

Other arrangements in alphabetical order:

Accident/Incident Reporting

All employee accidents must be reported to the Governing Body. This will be achieved by entering accident details onto the OSHENS on-line accident reporting system.

Accidents to pupils and other non-employees should be recorded in the accident book. Those accidents to pupils and members of the public which are work-related, in that they have arisen out of or in connection with a work activity, must also be reported by entering accident details onto the OSHENS on-line accident reporting system.

In addition, those accidents to pupils which did *not* arise out of or in connection with a work activity, but which nevertheless resulted in an injury whereby the pupil received treatment in a hospital, will also be inputted onto the OSHENS on-line accident reporting system.

Parents / carers will be notified immediately of all major injuries.

The Beacon

Church of England (V.A.) Primary & Pre-School *Living life in all its fullness (John 10:10)*

The Head Teacher will investigate accidents and take remedial steps to avoid similar incidents recurring.

All accidents which fall within the scope of the *Reporting of Injuries, Diseases and Dangerous Occurrence Regulations 2013* (RIDDOR) will be reported to the HSE via the OSHENS on-line accident reporting system. This will be undertaken by the Devon Health and Safety Service

For full details relating to accident reporting arrangements, reference should be made to the HS01 Arrangements Note.

Asbestos

The arrangements for the management of asbestos on the site are detailed in the Asbestos Management Plan (AMP). This is located in the H&S section of The Beacon Hub and the Asbestos File in the Admin Office.

The Asbestos Register is held in H&S section of The Beacon Hub and the Asbestos File in the Admin Office, and will be made available to all staff and contractors prior to **any** work commencing on the fabric of the building or fixed equipment containing asbestos. No work can commence until permission to work has been given by the authorising manager named in the AMP.

The appointed responsible manager shall ensure:

- The AMP is reviewed annually and that any changes are approved by the Governing Body.
- That the Asbestos Register is consulted at the earliest possible opportunity in the planning process and that **all** work on the fabric of the building or fixed equipment is approved via the completion of the ASB1 permit-to-work form and the contractor signing-in sheet.
- A visual inspection of those asbestos containing materials remaining on site is conducted and recorded on the ASB2 form according to the frequencies identified in the AMP
- All changes to asbestos containing materials on site, whether due to removal works or accidental damage, will be recorded in the Register by returning the ASB3 form to South West Norse.

All parties will ensure that any damage to materials known or suspected to contain asbestos should be reported to The Caretaker, H&S Lead or headteacher (who will report to each other) at the earliest opportunity.

For full details relating to the management of asbestos, reference should be made to the HS04 Arrangements Note as well as the Asbestos Management Plan.

Communication and Training

Detailed guidance and information about health & safety issues can be found in the Health and Safety Service's Arrangements Notes which are in the OSHENS Document Library. The Health and Safety Service also provide competent health and safety advice for school staff and can be contacted on 01392 382027 or on healthandsafety@devon.gov.uk.

The Health and Safety Law poster is displayed in the Admin Office

Health and Safety Training

All employees will be provided with:

- induction training in the requirements of this policy.

Updated September 2025

The Beacon

Church of England (V.A.) Primary & Pre-School *Living life in all its fullness (John 10:10)*

- updated training in response to any significant change.
- training in specific skills needed for certain activities as identified in the DCC Health & Safety Training Matrix and/or by the relevant risk assessment.
- refresher training where required or as determined by the DCC Health & Safety Training Matrix.

Training records will be kept in the admin section of The Beacon Hub / Training records. Administration Assistant is responsible for co-ordinating health and safety training needs. This includes a system for ensuring that refresher training is undertaken within the prescribed time limits.

Each member of staff is also responsible for drawing the relevant line manager's attention to their own personal needs for training and for not undertaking duties unless they are confident that they have the necessary competence. All employees shall undertake work tasks as instructed and trained.

For full details relating to staff training, reference should be made to the HS55 Training Arrangements Note.

Consultation

Staff are represented on the Resources Committee. Consultation of day-to-day matters will be achieved by email and Thursday Briefings.

Members of staff with concerns should raise them initially with their departmental head or the Health & Safety Co-ordinator. If required, requests for external advice should then be sought from the Health and Safety Service for concerns of employees which cannot be resolved locally.

Staff should feel free to contact the appropriate trade union appointed Safety Representative. The Governing Body welcomes the support of trade unions in health and safety matters.

For full details relating to staff consultation, reference should be made to the HS08 Arrangements Note.

Contractors

All contractors must report to the main Admin Office where they will be asked to sign the visitors' book and wear an identification badge. Contractors will be issued with guidance and requirements for safe practice whilst on site. Where necessary, contractors will also be requested to sign to confirm that they have read and understood the Asbestos Register. To ensure contractor competency, H&S Lead will undertake competency checks prior to engaging a contractor.

In respect of construction works, H&S Lead has attended training to ensure that the client's duties under the Construction (Design & Management) Regulations 2015 have been understood and complied with. Specifically, H&S Lead or Administration Manager will ensure that any Designer/Principal Designer and Contractor/Principal Contractor is appointed in writing and will ensure that a Construction Phase H&S Plan is in place prior to any works commencing on the site.

For full details relating to the control of contractors, reference should be made to the HS07 CDM Arrangements Note.

Curriculum Activities

Risk assessments for the significant hazards within curriculum activities will be carried out by the Head Teacher using the appropriate Health and Safety Service's model risk assessments listed above.

The Beacon

Church of England (V.A.) Primary & Pre-School *Living life in all its fullness (John 10:10)*

For full details relating to the primary curriculum areas, reference should be made to the HS46 Arrangements Note.

Display Screen Equipment (DSE)

All staff who use computers daily for continuous spells of an hour or more, or a total daily time of 3 hours or more will have a DSE assessment carried out. This will be achieved by completing the OSHENS DSE online training and assessment.

Staff identified as DSE users are entitled to an eyesight test for DSE use every 2 years by a qualified optician and corrective glasses (if required specifically for DSE use) subject to a total cost of £45.00.

For full details relating to DSE, reference should be made to the HS12 DSE Arrangements Note.

Emergencies

The school should ensure preparedness for emergency situations, and procedures for critical incidents and off-site emergencies are contained within the School's Emergency Management Plan (which is located on the Beacon Hub / RAs and Governor policies, hard copy in Admin Office) and will be reviewed annually. Emergency contact and key holder details are held in the School Emergency Management Plan.

Fire

The Head Teacher is responsible for ensuring that the fire risk assessment is undertaken and general fire safety precautions implemented accordingly. The fire risk assessment is located in the Beacon Hub (online) and will be reviewed annually.

Fire and emergency evacuation procedures are detailed in the Fire Emergency Plan document which is located in the online Beacon Hub (RAs). All staff will be briefed in the contents of this plan at induction and on an annual basis. This will be augmented by fire drills which will be undertaken termly. Evacuation procedures are also made known to all contractors / visitors.

Headteacher is responsible for ensuring that the school's Fire Log is kept up to date.

For full details relating to fire safety, reference should be made to the HS18 Fire Safety Arrangements Note.

Catherine Blackmore will ensure that refresher training is organised and Sam Wright is responsible for maintaining the contents of first aid boxes.

For full details relating to first aid, reference should be made to the HS19 First Aid Arrangements Note.

Hazardous Substances

Where it is consistent with the effective performance of the task in hand, every attempt will be made to choose the least harmful chemical possible.

The responsible manager shall ensure that:

- an inventory of all hazardous substances used within their area of responsibility is compiled and kept up to date.
- Material Safety Data Sheets (MSDS) are obtained from the relevant supplier for all such materials.
- risk assessments are conducted by Paul Hughes or Sophie Beasley to identify the safe working method and appropriate emergency procedures.
- all chemicals are appropriately and securely stored out of the reach of children.
- all chemicals are kept in their original packaging and never decanted into unmarked containers.

For full details relating to the control of hazardous chemicals, reference should be made to the HS10 COSHH Arrangements Note.

Legionella

The arrangements for the management of legionella on the site are detailed in the Water Hygiene Management Plan (WHMP). This is located in the admin office.

A water risk assessment for the school has been completed by Churchill Services and Paul Hughes is responsible for ensuring that the identified operational controls are being conducted and recorded in the water hygiene log book. The risk assessment will be reviewed annually and will be updated and renewed where significant changes have occurred to the water system.

For full details relating to the control of legionella, reference should be made to the HS28 Legionella Arrangements Note.

Lettings/shared use of premises

The Beacon

Church of England (V.A.) Primary & Pre-School *Living life in all its fullness (John 10:10)*

The Governing Body will ensure that the hirer/tenant has public liability insurance and will share with the hirer/tenant all relevant School health and safety information. The hirer/tenant will be required to provide a copy of their risk assessment where their activities present a significant hazard either to the building itself or to the safety or health of the occupants within it.

Maintenance of Plant and Equipment

Regular inspection and testing of school equipment is conducted to ensure that work equipment is maintained in a safe and efficient state. Records of such monitoring will be kept by Sophie Beasley. All staff are required to report any problems found with plant/equipment to the Head Teacher. Defective equipment will be clearly marked and taken out of service by storing in a secure location pending repair / disposal.

The following specific statutory inspections and tests will be undertaken by a competent contractor:

- Annual gas appliance inspection and maintenance, to be undertaken by Lorne Stewart
- Annual gas fixed heating plant inspection and maintenance, to be undertaken by Lorne Stewart.
- Annual gas tightness test, to be undertaken by Lorne Stewart.
- Electrical installation inspection every 5 years by Vento
- [Building plant and equipment checks schedule.docx](#)

Portable Electrical Appliances

All staff will conduct a visual inspection of plugs, cables and electrical equipment prior to use. Defective equipment will be reported to the Head Teacher.

All portable items of electrical equipment will be subject to formal inspection and, where appropriate, a testing regime on an identified cycle dependent upon the level of risk associated with the particular appliance type – every 2 years. This inspection and testing will be conducted by Cannings.

Personal items of equipment should not be brought into the school without prior authorisation and must be subjected to the same inspection process as school-owned equipment.

For full details relating to work equipment and electrical safety, reference should be made to the HS16 and HS58 Arrangements Notes.

Medication Arrangements

Updated September 2025

The Beacon

Church of England (V.A.) Primary & Pre-School *Living life in all its fullness (John 10:10)*

Arrangements for medication are detailed in the separate Administration of Medicines Policy, which is reviewed annually. A copy of this policy can be found online and in the Beacon Hub / school policies.

For full details relating to the administration of medication, reference should be made to the HS32 Medication Arrangements Note.

Monitoring

The Head Teacher will put in place procedures to monitor compliance with the arrangements described in this policy. The central component of this process is the 3 yearly Health & Safety Review process undertaken by the Devon Health and Safety Service. Feedback from this process is to be referred to the Governing Body.

A general inspection of the site will be conducted at least annually and be undertaken by Paul Hughes, Sophie Beasley, Anne Billington or Laura Neill and a Governor. Feedback from this process is to be referred to the Governing Body.

Other processes employed to monitor compliance with this policy and health and safety performance in general include:

- Maintenance reports and other reports are shared with Paul Hughes, Anne Billington and Governors are kept informed.

For full details relating to monitoring, reference should be made to the HS05 Audit & Monitoring Arrangements Note.

Moving and Handling

The risk assessment of significant manual handling tasks is undertaken as described in the risk assessment section above. Staff engaged in these activities will be provided with information on safe moving and handling techniques and will receive specific training where the need is identified in the risk assessment.

All moving and handling of pupils will be risk assessed by headteacher or SLT member and recorded in a specific Handling Plan for the individual concerned. The format found in the HS35 Arrangements Note will be used. All staff who move and handle students will receive appropriate training both in the controls listed in the Handling Plan and specific training on any lifting equipment that they may be required to use.

For full details relating to moving and handling, reference should be made to the HS34/35 Moving and Handling Arrangements Notes.

Offsite Visits

The Beacon C of E Primary & Pre-School local arrangements for outdoor education and offsite visits are detailed in the separate Management of Outdoor Education, Visits and Off-Site Activities Policy and individual Standard Operating Procedures which are reviewed annually. A copy of these documents can be found in The Beacon Hub / Staff Resources / Trips RAs

For full details relating to educational visits, reference should be made to the latest *Outdoor Education, Visits and Off-site Activities Health & Safety Policy*.

Personal Safety and Security

The school believes that staff should not be expected to put themselves in danger and will not tolerate violent / threatening behaviour to its staff. A separate specific Behaviour Policy (Belonging Policy) is in place at the school.

Staff will report any such incidents on the OSHENS system in accordance with agreed accident/incident reporting procedures.

Working alone will be avoided wherever possible. Work carried out unaccompanied or without immediate access to assistance will be risk assessed in order to identify and implement control measures. The requirement to undertake a personal safety risk assessment will also extend to working alone off-site where staff conduct home visits.

Staff working outside normal school hours must obtain permission of the Head Teacher.

Risk assessments will be reviewed annually or after significant change and recorded by amending the RA22 Risk Assessment.

School Security

The Paul Hughes and Anne Billington are responsible for undertaking a risk assessment for site security in order to identify and implement control measures in this area. This will be reviewed annually or after significant change and recorded in the RA24B risk assessment document, using the Security Checklist as an aide.

For full details relating to security and personal safety issues, reference should be made to the HS31 Personal Safety and Lone Working and HS50 Security Arrangements Note.

Stress/Wellbeing

The school is committed to promoting high levels of health and well being and recognises the importance of identifying and reducing workplace stressors through risk assessment in line with the HSE's management standards.

Staff should talk with headteacher, deputy or Admin Manager. There is an EAP in place, posters in admin office and staff room

Where appropriate, risk assessment findings will be recorded using the RA25 document.

For full details relating to staff wellbeing, reference should be made to the HS24 Health Issues for Staff Arrangements Note.

Tree Safety Management

An increasing number of tree species are becoming susceptible to disease which can not only cause the trees to die but can also leave them in a dangerous state. For example, Ash Dieback is one of the currently emerging diseases likely to cause significant issues in the coming years. Physical damage to a tree can also cause safety issues and fungus can be a sign of underlying health issues with the tree.

The school will ensure that tree inspections are undertaken in line with the *DCC Tree Management Policy*.

Note, The Beacon has no trees.

Work at Height

Work at height will be avoided wherever possible. Work carried out at height where a significant injury could result will be risk assessed by the relevant line manager in order to identify and implement control measures. Staff who work at height will be briefed in risk assessment findings. When working at height (including accessing storage or putting up displays) appropriate stepladders or kick stools are to be used. Staff *must not* climb onto chairs.

Formal training on work at height will be undertaken where the need is identified in the risk assessment process described above. It will be ensured that:

- all work at height is risk assessed and properly planned and organised.

The Beacon

Church of England (V.A.) Primary & Pre-School *Living life in all its fullness (John 10:10)*

- all those involved in work at height are trained and competent to do so.
- the use of access equipment is restricted to authorised users.
- access equipment is regularly inspected and maintained in a safe condition.
- access to fragile surfaces is properly controlled - caretaker only, or contractors with caretaker's oversight / training / discussion beforehand.

For full details relating to the control of work at height, reference should be made to the HS60 Work at Height Arrangements Note.

Work Experience

If the school *hosts* a work experience placement, any significant hazards within the planned work tasks will be risk assessed and findings will be communicated to the student and their parents/guardians via the student's secondary school. This assessment will be recorded on the RA28 risk assessment document.

Workplace safety

Headteacher is responsible for undertaking a risk assessment for general sites and buildings safety in order to identify and implement control measures for the following site workplace hazards:

- Slips, trips and falls.
- Glazing.
- Trees.
- Waste storage and disposal.
- Vehicle/pedestrian conflict.

This will be reviewed annually or after significant change and recorded by amending the relevant section of the RA22 risk assessment document.

For full details relating to the control of hazards within the premises, reference should be made to the HS44 Premises Arrangements Note.
