GROW Assembly Focus: "Self-Care Week"

Congratulations to ALL our Wonderful Workers of the Week

Team Merit Points

Remember children who are workers of the week now gain 150 team merit points each for their charity!

Our current overall leading team is with 109,415 points and this week's winning team is Woodland Trust with 4,490 points. Well Done!

ATTENDANCE

Week ending -07/05/2026

For the good news! Well done to all the classes mentioned below- you all managed to beat 96.2% A great achievement! Moving around the Attendance-opoly Board, if a class lands on a 'Surprise Mission,' they are able to vote and decide on a free dress day instead. This is organised by the class teacher.

Week ending: 14/05/2026

The whole school attendance for this week is:	95.74%
The whole school attendance for the school year is:	93.44%
The Phase 3 winners are:	Hazel with 99.33%
The classes who are above 96.2% are:	Elder with 99% Rowan with 96.3%
The Phase 1 winners are:	Ash and Birch with 97%
The classes who are above 96.2% are:	Unfortunately, there are no other classes
The Phase 2 winners are:	Oak with 98%
The classes who are above 96.2% are:	Unfortunately, there are no other classes

ATTENDANCE

Please consider the impact of taking holidays during schooltime. This is having the **greatest negative impact** on attendance and of course, your child's education. It is highly likely that you will receive a fine.

Recently we have had a significant increase in the number **of children arriving late into school.**

The "Hidden" Impacts of Lateness

- **Missed Learning & Routine:** Children miss morning announcements, registration, and crucial instructions for the day, which can make them feel confused or anxious.
- **Social & Emotional Cost:** Arriving late can be embarrassing and makes it difficult for a student to settle, often disrupting the rest of the class.
- **Habit Formation:** Consistent lateness creates bad habits that are difficult to break, which can negatively affect future employment.
- **Academic Achievement:** There is a direct link between good attendance/punctuality and high attainment; a student with 90% attendance is deemed a "persistent absentee" and is less likely to reach expected standards.
- **Reduced Confidence:** Students who are regularly late may feel insecure, making them less willing to participate in school activities.

Long-Term Consequences

- **Reduced Performance:** Frequent lateness often leads to falling behind in work and lower scores in exams.
- **Lower Employment Prospects:** Poor punctuality sets a poor precedent, which can translate to difficulties in future employment.
- **Increased Risk of Leaving Education Early:** Without intervention, consistent tardiness is linked to lower academic achievement and a higher risk of dropping out.

Impact on Lost Learning Time (Per Year)

- **5 minutes late every day:** Over 3 days of school lost per year (lessons).
- **10 minutes late every day:** Over 6.5 days of school lost per year.
- **15 minutes late every day:** Equivalent to 2 weeks (10 days) of school lost per year.
- **30 minutes late every day:** Equivalent to 19 days (nearly 4 weeks) of school lost per year

Census Day is on Thursday 21st May, and we have a special menu!

- Children will be able to enjoy the special choices (see left) and the more children we have taking this opportunity up, will result in more funding for school!
- Prices will remain the same for this theme day:
- Price (Per Meal) are as follows: Nursery: £2.35, Years 3-6: £2.55
- Reception to Year 2: Universal Free Meals

Visit to China with the Global School Alliance

UK and Chinese students are paired as buddies and together they take part in fun, creative and cultural activities designed to build confidence and increase cultural understanding.

We would not normally promote a school visit which occurs significant costs, but I was encouraged through informal chats with parents to see if such a visit could take place and it is a once in a lifetime opportunity! The visit will take place in July 2027. It's a one-week experience with everything included: flights, accommodation, meals, activities. It is heavily subsidised and offers simple payment plan for parents.

The Global School Alliance will be holding an information event for parents/carers of pupils who will be 9 years or over in July 2027. This will take place in the school hall on Wednesday May 20th 2026 at 3.45pm and you can also join remotely here:

ASK YOURSELF

Why aren't you choosing a school meal?

Across the country, a significant number of pupils almost 1 in 4 are not choosing a school meal. Whether paid or free, this means many children in our area are missing out on healthy, balanced food that supports their learning, wellbeing, and development.

FM Catering are looking to work in partnership with schools and academy trusts to address these shortfalls and improve uptake levels. The initial step will be to do a joint survey of the school's parents to identify the reasons why they are not taking up a school meal, and then FM Catering will develop and agree a bespoke action plan with our schools designed to increase meal uptake.

BENEFITS OF A SCHOOL MEAL

- Improves overall health and learning outcomes
- Nutritious, freshly prepared food with hot and cold options
- Promotes healthy food choices and food education
- Provides hot choices on cold days and cold choices on hot days!
- Theme days to support curriculum activities and calendar events
- Families save approximately £37 per month in total on food spending, (based on a household with two adults and two primary-aged children) *
- Religious, medical and food allergen diets are catered for
- Pupils wanting a packed lunch (FM can provide packed lunch choices with the "select and fill your packed lunch" option)

SCHOOL MILK PROVIDERS - Our school milk company, COOL MILK

Please find our milk company's Details for your information. Your child is eligible for free school milk If they are under 5 years old or eligible for free school meals.

If you would like your child to have milk in school, please go to www.coolmilk.com and register your child.

Please note that following the registration of your child, it might take up to 2 weeks for the company to process your order before your child starts to have milk in school.

Community Linkage

This is a great community initiative brought to my attention by George Zito, Young Persons Mental Health Coordinator who works with groups of children in school:

This is a new space designed to support families experiencing food poverty by providing a safe, warm, fun and nourishing weekly space for them to gather, and access food supplies and wellbeing support. For a contribution of £4 per week, families will be able to build their own food parcel, including fresh produce. Our cafe will also be open, serving hot meals for a low cost, to those attending.

If you work with anyone you feel would benefit from the initiative, then please do circulate the information provided below. I have also attached our flyer and some social media graphics - any and all support would be much appreciated!

Parent and Carer Support Group

From the Mental Health Support Team

Our online Parent and Carer Support Group offers a safe and welcoming space to explore ways of supporting your child's emotional wellbeing, and your own.

Each half term, we cover a new wellbeing topic inspired by the Five Ways to Wellbeing, and share practical tips and ideas. It's also a chance to connect with other parents, share experiences, and support one another.

This half-term's topic:

Keep Learning – Feel it, Name it, Tame it

This session will focus on helping parents and carers support young people in understanding and managing emotions. Together we will share simple, practical ways to help young people recognise, name, and respond to big feelings.

Date: **Wednesday 6th May 2026**

Times: **10:30am or 7:00pm**

Platform: **Microsoft Teams**
