Year 1 'Hero Day' – Thursday 6th November 2025

Year 1 'Hero Day' – Thursday 6th November

Next half term, our topic will be “**Do all heroes wear capes?**” To launch our new topic, we'll be holding a special Hero Day on Thursday 6th November. On this day, children are invited to come to school dressed as a hero of their choice. This could be a traditional superhero or a real-life hero such as a doctor, nurse, firefighter, teacher, vet, police officer, or someone who inspires them. Throughout the day, we'll be exploring what makes someone a hero and learning about real-life heroes like Rosa Parks, who stood up for equality, and Marcus Rashford, who helped families in need during the Covid pandemic. It's sure to be a day full of inspiration, imagination, and celebration!

Autumn term NEWSLETTER from W/C 13 October 2025

New School Menu starting from 3 November 2025!

Here is a letter from FM Catering and Bradford Local Authority in collaboration with the University of York:

Dear Parents and Carers

As you will recall our school has been selected to take part in an exciting project called "Transformation Towards Healthy and Sustainable School Meals" (Green Menus).

This initiative is being led by the FixOurFood team at the University of York, in partnership with Bradford City Council and aims to develop new school food menus that not only support children's health but also help to look after the planet.

During the development stage, children from your child's school also took part in a tasting event to help make any improvements to the meals. As part of the project, our school will be introducing a new two-week menu on a trial basis for 12 weeks starting 3rd November 2025.

This menu will feature 6 brand new dishes:-

- Cowboy Sausage and Beans
- Loaded Mexican-Style Wedges
- Indian-style Sausage Roll
- Creamy Cauli Mac 'N' Cheese and Peas
- Curry Club Dahl Chickpeas and a Coriander Yoghurt
- Coronation Chickpea Sandwich

Throughout the 12-week period, the FixOurFood team will visit the school on three separate occasions during the lunchtime period. During these visits, they will:-

- Observe lunchtimes and take photos of the plates of food the children choose (please note: no photos of children will be taken),
- Interview our head chef to hear their thoughts on the new and improved recipes,
- Invite a small number of children to take part in a focus group to share their views and experiences of the menus. You will get a separate letter about this if your child is invited to this group.

We believe this is a fantastic opportunity for our school community to contribute to shaping healthier and more sustainable school meals for the future.

We are excited to see how our children respond to the new dishes and to play an active role in this important project. Please be assured that no child will go hungry during this trial as there is likely to always be a more familiar dish on the menu.

This letter is for information only and you do not have to do anything different. All of the same information will be provided about the school meals and any allergy information will be considered in the same way as usual. If you have any questions, please do not hesitate to contact the school office. Thank you for your continued support.

Clean air

We have received notification of this publication:

https://thevoiceofearlychildhood.com/wp-content/uploads/2025/10/Clean-air-guide-.pdf?fbclid=IwZnRzaANYvzRleHRuA2FlbQlXMQABHsVscB-FHDD-85XmnleePqjEuczUEQtwdK0SqseuNKEqvYx30bECZqAyHC9Z_aem_UI8gLTAYFDq8fyBlnuFBEq

This is something we take very seriously at Poplars Farm. We have had:

- Classrooms fitted with HEPA filters
- Extra cleaning of touch points throughout the day
- Active Fridays and
- The Forest School

Parking

Unfortunately, I have had 2 complaints regarding parking this week. One from a resident involving a red car blocking driveways. This was a mum of two of our pupils (residential area near the pylon). The second one involving a black Audi with the dad blocking the road and then shouting at a mum, who was left shaken. Please consider others.

Holidays in term time

PLEASE READ THE NEW GOVERNMENT FRAMEWORK ON ATTENDANCE:

<https://educationhub.blog.gov.uk/2024/08/19/fines-for-parents-for-taking-children-out-of-school-what-you-need-to-know/>

We are reasoning an increasing number of requests for holidays in term time during this first week back in school!

From August 2024, the fine for school absences across the country will be £80 if paid within 21 days, or £160 if paid within 28 days. In the case of repeated fines, if a parent receives a second fine for the same child within any three-year period, this will be charged at the higher rate of £160. Fines per parent will be capped to two fines within any three-year period. Once this limit has been reached, other action like a parenting order or prosecution will be considered.

If you're prosecuted and attend court because your child hasn't been attending school, you could get a fine of up to £2,500.

Money raised via fines is only used by the local authority to cover the costs of administering the system, and to fund attendance support. Any extra money is returned to the government. The money is not given to school.

We hope that you will look at the calendar on the school website for 2024-25 to check when our school holidays are planned before booking your holiday or trip abroad. **Please make sure you make an appointment to see Mrs Speak after having completed the request form.**

TRAINING COURSES

Early Bird and Early Bird Plus

These friendly and practical programmes developed by the National Autistic Society, are designed to help you better understand autism and discover ways to support your child with confidence and ease. Working with small groups of four to six families, we create a safe space to share experiences, swap ideas, and work through challenges together.

The courses are delivered online over eight weeks, and follow a programme of six weekly group sessions, and two 1:1 sessions with our Family Support Manager.

Sessions explore key topics, including:

- Exploring autism and the autistic experience
- Communication strategies
- Interpreting behaviours and encouraging positive interactions
- Daily living support
- Health and wellbeing
- Building connections

Early Bird or Early Bird Plus – What's the Difference?

Both courses have been developed by the National Autistic Society and offer similar support and guidance for families, but they're designed for different age groups:

- Early Bird** is for parent carers of children under 6 years old
- Early Bird Plus** is for parent carers of children aged 6 to 10 years old

Each course is tailored to suit the developmental stage of your child, helping you feel more confident and supported on your journey.

What else do I need to know?

Early Bird and Early Bird Plus courses are run termly. **Early Bird and Early Bird Plus courses are free.** Both courses have an accompanying course handbook produced by the National Autistic Society. We ask for a **£20 donation** to cover the cost of the handbook and other course materials. Course materials are also available to borrow.

No diagnosis is required. But as we work with a small number of families at a time, there is a **short waiting list**.

For more information and a booking application form email: nixkipickissaware@gmail.com
