Children & Families Finance
Chief Executive's Department
Nottinghamshire County Council

SEPTEMBER 2019

ESSENTIAL INFORMATION

Please ensure that you read the following before using this template to produce the finance policy for your school.

The sample policy has been created to aid Nottinghamshire LA maintained schools to ensure that their finance policy sets out the procedures in place to ensure effective financial management and stewardship over the school's resources. The document has been produced by the C&F Finance section.

This sample policy has been written in line with the Nottinghamshire Scheme for Financing Schools and Nottinghamshire County Council's Financial Regulations. Reference has also been made to the guidance contained within the DfE Schools Financial Value Standard.

The document should be reflective of the school's existing policies and procedures already approved by the Governing Body. You should also ensure that it reflects the delegated responsibilities as agreed in the School Governors' decision planner. The Finance Policy should be approved by the Full Governing Body before being adopted.

Your finance policy should be subject to an annual review. The approval and review of the policy should be recorded in the relevant minutes. The approval of a written description of financial systems and procedures in line with the LA's Scheme for Financing Schools' is a constitutional decision to be made by the Full Governing Body and therefore cannot be delegated to a committee.

All relevant staff and governors should be made aware of the existence of the finance policy and should have access to a copy. This could be an electronic version stored on Governor Hub or the school ICT network or a printed copy.
